# Everyone Should Drink Hot Water in the Morning

Wash away all stomach, liver, and bowel poisons before breakfast.

To feel your best day in and day out, to feel clean inside; no sour bile to coat your tongue and sicken your breath or dull your head; no constipation, bilious attacks, sick headache, colds, rheumatism or gassy, acid stomach, you must bathe on the inside like you bathe outside. This is vastly more important, because the skin pores do not absorb impurities into the blood, while the bowel pores do.

To keep these poisons and toxins well flushed from the stomach, liver, kidneys and bowels, drink before breakfast each day, a glass of hot water with a teaspoonful of limestone phosphate in it. This will cleanse, purify, and freshen the entire alimentary tract before eating more food.

Get a quarter pound of limestone phosphate from your pharmacist. It is inexpensive and almost tasteless. Drink phosphated hot water every morning to rid your system of these vile poisons and toxins; also to prevent their formation.

# SAGE TEA KEEPS YOUR HAIR DARK

WHEN MIXED WITH SULPHUR TO BRINGS BACK ITS BEAUTIFUL LUSTRE AT ONCE

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

## THIS IS THE LESSON: INSURE YOUR HAY

"Ten Thousand Dollar Hay Crop Burned: No Insurance."

How often you have read headlines like the above. Do they mean anything to you? Do not instances like this teach you the value of protection—the necessity for adequately insuring your crop as a safeguard for you and your dependents? Fires start easily, especially in hay stacks, and they are impossible to quench after they have made the slightest headway. Is your hay insured? If not, see me, and let me company in existence. Jas. ## "AND SOME DAY WE'LL RUN AWAY AND GET MARRIED"

We wonder if you, reader, ever said this to some little girl, or had it said to you. Nellie and Jimmie are just like all first lovers—even as you and I. We will see each other in them. We'll laugh at them—we'll sorrow with them—we'll thrill with them because they're human—they're us! Griffith, the master, has made them so in "The Greatest Question." At the Star theater Sunday and Monday.
