When You Think "Underwear for the cool weather," think

We can fit YOU regardless of your shape

or size.

It isn't what you pay for underclothing. It's what you get for what you pay. Figure your underwear purchases on the basis of true economy.

Add up the comfort-giving features of Munsingweitr. They are: Perfection of fit, no binding in the crotch, bagging in the body; comfort to the skin; no scratch or irritating fabrics; coolness and lightness—this means comfort during the hot summer days; cleanliness— Munsingwear is made under absolutely sanitary conditions.

Then add the economy features of Munshigweer; washability, Munsingwear fits with the same snug st faction after each trip to the laundry; durability-it is a Munsingwear habit to outlast expectations-and finally serviceability-that means 100

per cent satisfaction throughout the life of every garment.

Here is your answer: Mune ingwear, in the long run, is the

most sensible, comfortable, economical undergarment you can buy. That is why millions of satisfied men, women, and children wear it.

An absolutely complete stock.

All Weights-All Sizes.
