## WOMEN TO TAKE LEADING PART IN STATE FAIR

SALEM, Ore., Sept. 8, (Special.)—Women will take a more active and conspicuous part in the forthcoming state fair than in any held hitherto, many names of prominence having already been announced. The state will be well represented in this respect, matrons and maids from various cities throughout Oregon to serve in a social as well as a business and official way. Occupying a place of foremost importance in the first-mentioned capacity will be the women who preside as patronesses for the different nights of the Horse Show.

Similar honors will be conferred upon the women who will be in charge of Woman's day, which has not yet been set aside but which will probably be given a place during the mid-week.

Americanization Day stands out pre-eminently in interest and will be entirely under the jurisdiction of Mrs. Isaac Lee Patterson of Salem. Assisting her as patronesses will be the wives of the foreign consuls, and those of the pastors of foreign-speak churches both in the Capital City and Portland. Foreign-born women will superintend booths representative of their native land. Mrs. N. C. Kafoury of Salem, to govern one of the largest and most notable displays of this character. She has already enlisted the co-operation of the Syrian residents of the state. Other Slavic nationalities will be featured in an original manner, as will also the allied countries.

The executive committee, consisting of Salem women, is endeavoring to make Americanization day a tremendous success.

Lending aid in an official post will be Mrs. Alice Weister of Portland, who enters upon her fifth year as superintendent of the Art Department. Under her direction the section has become one of the most interesting and educational of any of the state fairs. This year promises to surpass all others, entries made to date listing the names of artists of note as far east as Iowa.

"I believe," quoting Mrs. Weister, "that this will be a banner year for the Art Department. I am trying hard for Oregon scenery, and plan to make it a foremost feature of the exhibit."

Mr. Kiser has promised to represent Crater Lake. His large exhibit is now in the East with the National Park Association, but he is preparing something splendid for the fair.

The University of Oregon will also support the department in a substantial way. Mrs. Weister will have for assistants Mrs. Helen Pierce, of Portland, and Monroe Gilbert of Salem.

Mrs. Walter J. Holman of Portland, will be in charge of the Textile department. She is at present touring the northwestern part of the state in the interest of her exhibit, and is succeeding in an appreciable way.

The girl's camp will be under the supervision of competent women and women, as heretofore will carry on the demonstrations concerning child-welfare. Mrs. E. N. Palmer to head the effort, which will be conducted under the direction of the State Parent-Teacher Association.

The Harvard football candidates are to get an early start this year. It having been decided to call the players out to Soldiers Field Sept. 7.

**SAGE TEA DANDY TO DARKEN HAIR**

**IT'S GRANDMOTHER'S RECIPE TO BRING BACK COLOR AND LUSTER TO HAIR**

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a 50-cent bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.
