

# Stylish Footwear

For Autumn Occasions

The keen, bracing September weather, with just a hint of coming frosts in the air, reminds us that the time is here to think of fall footwear.

The joy of being out of doors brims to fullest measure when one is correctly clad. In JOHN KELLY Shoes your feet enjoy the perfect freedom that comes only with expert, painstaking shoe-making.

Smart brogues, stylish walking boots and oxfords, pumps and slippers for the formal and semi-formal social affairs of the season.

They're all of the famous JOHN KELLY quality. May we not show you the new styles?

## BE PRETTY, TURN GRAY HAIR DARK

TRY GRANDMOTHER'S OLD FAVORITE RECIPE OF SAGE TEA AND SULPHUR

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, gray or streaked. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, for about 50 cents.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it, and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive.

### OREGON BREVITIES

**PENDLETON, Sept. 18.**—It never hardly ever rains at Pendleton during the annual Round-Up, dated this year for September 23-25. Round-Up officials made a close study of past weather records before selecting dates for the big show and chose dates when there is least likely to be any unfavorable weather to mar the full pleasure of the Round-Up.

**PORTLAND, Sept. 18.**—Official inquiry into the circumstances culminating in the death of Bert Hedderly, 1014 Belmont street, who was shot by a liquor raiding party composed of police and federal operatives, near Union and East Oak street Friday night, will be held before Coroner Earl Smith in the court house at 8:33 o'clock Monday night, according to announcement from the coroner's office.

**ROSEBURG, Sept. 18.**—"The city to prevent any increase in the rates for electric power," said Mayor Hamilton speaking in regard to the application of the Douglas County Light & Water company to make a showing

why it should be allowed a greater increase than was given by the public service commission at the recent hearing.

**THE DALLES, Sept. 18.**—Governor James M. Cox, democratic presidential nominee, addressed a gathering of 2,000 people here enroute from Portland to Idaho and Utah points. The reception accorded the nominee was lukewarm and the crowd failed to respond heartily to the introduction of the candidate by Dr. George C. Blakely of The Dalles, who came up from Hood River with the party.

**PORTLAND, Sept. 18.**—With all the railroads in the country clamoring for more cars, and with the demand for transportation, both freight and passenger, steadily increasing, the traffic problem is becoming more and more serious. In fact, it has caused more than one railroad official's hair to turn gray, says H. M. Adams, vice president of the Union Pacific system.

**SALEM, Sept. 18.**—Adjutant General George A. White today received from the navy department a complete list of Oregon men who lost their lives while serving in the navy during the world war, from April 6, 1917, to November 11, 1918. The list totals eighty, and with names to be added later of those who died subsequent to the signing of the armistice will run above ninety. The list was requested by the adjutant general and has not heretofore been published.

**PORTLAND, Sept. 18.**—The heavy blasts of equinoctial rains have passed their crest, leaving a trail of damage principally in prune orchards of the state, according to reports today by the U. S. weather bureau and by prune growers. Minor damage to rooms was reported from several Portland homes.

**PORTLAND, Sept. 18.**—In spite of increased railroad rates, the state democratic central committee is going to give William Gibbs McAdoo and Bainbridge Colby personally conducted tours throughout the commonwealth. They'll see Oregon first in most carefully planned campaigns.

**PORTLAND, Sept. 18.**—The search warrant required in the enforcement of the national prohibition act practically ties the hands of the federal agents.

As a result, prosecution of liquor cases has been cut down more than 50 per cent since the decision of Federal Judge Bean to the effect that the old internal revenue laws have been repealed by the national prohibition act.

**BAKER, Sept. 18.**—That all of the large pine sawmills of Eastern Oregon will have to curtail production and reducing their working force in the near future unless the increased railroad freight rates are promptly adjusted, was the opinion expressed by speakers at a meeting of the Local Legion of Loggers and Lumbermen held here.

**PENDLETON, Sept. 18.**—Circuit Judge Phelps has denied applications for change of venue filed by John Rathie, Elvie Kirby, Irvin Stoop and Floyd Henderson, charged with first degree murder in connection with the slaying of the late sheriff Til Taylor.

**SALEM, Sept. 18.**—Fire losses in

Oregon during the month of August, outside of Portland, aggregated \$372,155, according to a report of the state fire marshal's department. Lumber mills suffered heavily, a total of \$221,850, ten mills having been damaged by fire. Some of the heaviest losses by towns were: Devitt, saw mill, \$65,000; Linnton, shingle mills, \$100,000; Lutgens, packing plant, \$35,000; Ontario, garage, \$14,000.

**PORTLAND, Sept. 18.**—An "expose" behind closed doors was the novel procedure indulged in at the city hall Monday, when an inquiry of the so-called dance hall scandal was conducted by Mayor Baker.

The inquiry was occasioned by the statements in a local newspaper by Mrs. Grace B. Nickerson, dance hall inspector, that her work was being hampered by the fact that certain dance hall proprietors claimed to have a pull with the "higher-ups."

**MEDFORD, Sept. 18.**—In the opinion of District Attorney Roberts the report of State Banking Superintendent Bennett upon the condition of the defunct bank of Jacksonville will not be ready for at least ten days. The bank examiners are still facing a tedious task in auditing the books, as they were in a chaotic condition when the bank failed.

Until this report is made, and it will first be made to the grand jury, there is no way of ascertaining just how much the county and individual depositors will lose. However, the statement is made by those in a position to know that the failure is the most complete in the banking history of the state.

## MEAT CAUSE OF KIDNEY TROUBLE

Take Salts to Flush Kidneys if Back Hurts or Bladder Bothers

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush off the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.
