Just Like
Clock Work

Except that you never lose any time when you eat in this cafe. We try to make every second count from the time you give your dinner or lunch order until it is placed before you.

Long waits in cafes sometimes ruin the very best appetites—makes people out-of-sorts, and places them in anything but an eating humor.

Nothing like that in this cafe! Quick service and excellent meals—that's the combination! You'll get it at the

BE PRETTY, TURN
GRAY HAIR DARKTRY GRANDMOTHER'S OLD FA-
VORITE RECIPE OF SAGE TEA
AND SULPHUR

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, gray or streaked. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, for about 50 cents.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it, and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive.

SALE OF TIMBER
KLAMATH INDIAN RESERVATION
LITTLE SPRAGUE UNIT

Sealed bids in duplicate, marked outside "Bid Little Sprague Unit," and addressed to the "Superintendent, Klamath Indian School, Klamath Agency, Oregon," will be received until 2:00 o'clock P. M., Pacific time, Wednesday, October 27, 1920, for the purchase of the merchantable Sprague River in townships 34 and 35 South, Range 5 East, Willamette Meridian. This unit is estimated at 40,000,000 feet B. M., mostly western yellow pine of which about 5,000,000 feet is on about 450 acres of approved allotments, and as to which separate approved contracts with the Indian owners may probably be made. No bid will be accepted for less than \$4.00 for yellow and sugar pine and incense cedar, and \$1.60 for other species during the period of the contract ending March 31, 1924. Prices subsequent to that date will be fixed by the Commissioner of Indian Affairs for three-year periods. Each bid must state the rate per M that will

be paid for each kind of timber during the first contract period ending March 31, 1924, and must be accompanied by a certified check on a solvent National Bank drawn in favor of the Superintendent of the Klamath Indian School in the amount of \$10,000.00. The deposit will be returned to unsuccessful bidders, but retained as liquidated damages if the successful bidder shall fail to execute contract and furnish satisfactory bond for \$15,000.00 within 60 days from the acceptance of his bid. The right is reserved to waive technical defects and to reject any or all bids. For copies of contract, regulations, fuller description of the area, and other information, apply to the Superintendent of the Klamath Indian School, Klamath Agency, Oregon.

BEGIN HOT WATER
DRINKING IF YOU
DON'T FEEL RIGHT

Says glass of hot water with phosphate before breakfast washes out poisons.

If you wake up with a bad taste, bad breath and tongue is coated; if your head is aching; if what you eat sours and forms acid in stomach, or you are bilious, constipated, nervous, and can't get feeling just right, begin inside bathing. Drink before breakfast, a glass of hot water with a teaspoonful of limestone phosphate in it. This will flush the poisons and toxins from stomach, liver, kidneys and bowels and cleanse, sweeten and purify the entire alimentary tract. Do your inside bathing immediately upon arising in the morning to wash out of the system all the previous day's poisonous waste, gases and sour bile before eating more food.

To feel like young folks feel; like you felt before your blood and muscles became loaded with body impurities, get from your pharmacist a quarter pound of limestone phosphate, which is inexpensive and almost tasteless.

Men and women who are usually constipated, bilious, headachy or have any stomach disorder should begin this inside bathing before breakfast.

A classified Ad will sell it.

The NEW EDISON

"The Phonograph with a Soul"

There's a way of spending money that spreads incomes over bigger "sandwiches."

Big business calls it financing. Government calls it budget-making. We call it the *Budget Plan*.

Would you like to own a New Edison? Our Budget Plan will show you how to "swing" the purchase, without cutting in on your present necessary expenditures.

Now is a good time to buy. The New Edison has advanced in price less than 15% since 1914; this includes War Tax. Mr. Edison has kept prices down by absorbing increased costs out of his own pocket.
