Tells why everyone should drink hot water with phosphate in it before breakfast.

Headaches are caused by auto-intoxication—which means self-poison-ing. Liver and bowel poisons called toxins, sucked into the blood excite the heart which pumps the blood so fast that it congests in the smaller arteries and veins of the head, pro-ducing violent, throbbing pain and distress, called headnche. You be-come nervous, despondent, sick, forerish and miserable, your meals sour and almost nauseate you. Then you resort to acetanilid, aspirin or the bromides, which temporarily relieve but do not rid the blood of these ir-
