Not a Bite of Breakfast Until You Drink Water

Says a glass of hot water and phosphate prevents illness and keeps us fit.

Just as coal, when it burns, leaves behind incombustible ashes, so the food and drink taken day after day leaves in the alimentary canal indigestible material, which if not completely eliminated from the system each day, becomes food for the millions of bacteria which infest the bowels. From this mass of leftover waste, toxins and ptomaine-like poisons are formed and sucked into the blood.

Men and women who can't get feeling right must begin to take inside baths. Before breakfast each morning drink a glass of hot water with a teaspoonful of limestone phosphate in it to wash out of the bowels the previous day's poisons and toxins, and to keep the entire alimentary canal clean, pure and fresh.

Those who are subject to sick headache, colds, biliousness, constipation, others who wake up with bad taste, foul breath, backache, rheumatic stiffness, or have a sour, gassy stomach after meals, are urged to get a quarter pound of limestone phosphate from the drug store, and begin practicing internal sanitation. This will cost very little, but is sufficient to make anyone an enthusiast on the subject.

DULL, SPLITTING, SICK HEADACHE

Dr. James' Headache Powders relieve at once—10 cents a package.

You take a Dr. James' Headache Powder and in just a few moments your head clears and all neuralgia and distress vanishes. It's the quickest and surest relief for headache, whether dull, throbbing, splitting or nerve-racking. Send someone to the drug store and get a dime package now. Quit suffering—it's so needless. Be sure you get Dr. James' Headache Powders—then there will be no disappointment.

IF BACK HURTS BEGIN ON SALTS

Flush your kidneys occasionally if you eat meat regularly

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.

The Minneapolis Millers are said to be considering Mineola, Texas, as a training camp next spring.

Nearly \$800,000 will be distributed among the winning owners at the fall season of racing on the four Maryland tracks this year.
