OAKLAND, Sept. 29.—The noon-day meeting of the workers in the Oakland Y. M. C. A. financial campaign Friday was one of the most enthusiastic yet held. The grand total for the day was announced at \$32,959. This brings the total amount subscribed up to yesterday noon to over \$53,000. To this there is to be added the 5 per cent of the amount raised, which is being contributed by Cliff Durant, the millionaire automobile man.

The committee on special gifts, of which H. Mortan is chairman, announced \$5000 from the Clearing House Association of Oakland, and \$10,000 from Miss Julia Alexander.

SAN FRANCISCO, Sept. 29.—Oakland defeated Vernon 3 to 2 in a dime novel finish Saturday. With two men out in the ninth inning and Knight on second, Krause, batting for Mitchell and with two strikes and three balls chalked against him, hit a home run into the left field bleachers. W. Mitchell drove in Vernon's two runs with a single in the second inning. The Tigers were unable to touch Kremer, except in that frame.

MARYSVILLE, Sept. 29.—Fifty per cent advance payment will be made on the Northern California

bean crop this year by the California Bean Growers' Association on delivery of the crop, was the announcement made by R. L. Morehead, district manager. He said the crop would be only 30 per cent of normal and prices would be good.

The national bean crop will be about half of the usual consumption, according to Morehead.

STOCKTON, Sept. 29.—Two thugs at 4:30 a. m. today held up and robbed Guy Campbell, cigar dealer, as he drove to his garage at his home at 603 East Clay Street.

Campbell reports they took a diamond stud valued at \$1,500, a diamond ring worth \$2,500, and \$350 in currency.

AUBURN, Sept. 29.—After kidnapping his own son, aged five, who for several months had been in possession of his wife at Reno, Austin T. Sackett, wealthy New York business man, Saturday lost out on the hearing of a writ of habeas corpus

for permanent possession of the boy, who was taken from him here by his wife after a free-for-all fist fight between representatives of the parents.

GRASS VALLEY, Sept. 29.—John W. Ball, a local mine worker, was arrested late Friday on a warrant sent from Mendocino County, charging him with killing a doe there.

SAN FRANCISCO, Sept. 29.—Offers by a second member of the Team and Auto Truck Association to reveal the workings of the "inner ring," together with the surrender to the police of five indicted men, were the developments in the investigation by the grand jury into the activities of the association.

After they had arranged for their release on bonds of \$1,000 each, the five contractors surrendered to the police. They were taken to the city prison where they were booked and released.

SACRAMENTO, Sept. 29.—Frenzied buying and shipping of wine grapes in response to the demand from the east for grapes for the making of grape juice and wine, caused the big grapes and large shipments of unsalable products which are causing great losses to those who this year engaged in the business of buying, shipping and handling these grapes. This is the report of R. L. Nougaret, in charge of the viticulture service of the state department of agriculture, following an investigation into the deplorable condition.

SACRAMENTO, Sept. 29.—Objection to the oath of allegiance required of all teachers in the public schools of California promises to bar another woman applicant from securing the coveted certificate. The action taken by the maids grew out of the proprietor's refusal to sign an agreement recognizing the union and to pay a scale of \$18 weekly to the girls employed. Taking advantage of the fact that the proprietor would have no opportunity to seek an injunction from the court before Monday, picketing was started Saturday afternoon.

"In Every Respect"
says the Good Judge

You get more genuine chewing satisfaction from the Real Tobacco Chew than you ever got from the ordinary kind.

The good tobacco taste lasts so long—a small chew of this class of tobacco lasts much longer than a big chew of the old kind. That's why it costs less to use.

Any man who has used both kinds will tell you that.

Put up in two styles
