## 72 PUPILS IN COURTHOUSE

Wayne Keese, principal of the Fairview school, whose pupils are now attending school in the courthouse building on Main street, reports that 72 were in attendance today and that by next week, after the first grade is added to the ones already in the building, there will be nearly a hundred pupils.

Miss Marjorie Delzell, Maud Miller and Mr. Keese are the teachers in charge of the grades from the second to sixth that are now at work in the new building. The children are more than pleased with the shady playground afforded by the court yard and had a jolly time at recess this morning when several amateur football games were started.

## CONGOLEUM

Gold Seal ART-RUGS

### Be Sure to Look for the Gold Seal—

The Gold Seal appearing on every Congoleum Art-Rug and on every two yards of Congoleum in roll form is an unerring guide to complete satisfaction.

Congoleum is made in designs that are in good taste for any room in the house.

The patterns and colors are prettier than those of most other floor coverings of this type. They are even more attractive than those of many expensive woven rugs.

As to wear—there is no printed floor-covering that can outwear Con-

goleum. The wear, of course, is a part of the "satisfaction" guaranteed by the Gold Seal.

#### MUCH FOR LITTLE MONEY

Not a day goes by but the house-keeper with Congoleum Art-Rugs on her floors realizes how serviceable and practical they are.

Waterproof, sanitary, lie flat without fastening. And they're so easy to clean—a damp mop is all you need.

You'd never expect so much in any floor-covering for so little money until you see and use Congoleum Gold Seal Art-Rugs.

We have a large stock of Rugs and two patterns of the Floor-Covering, (one in two different colors) for you to select from, and it is our suggestion that you see them as soon as possible to assure getting just what you want.

#### Prices:

Congoleum Gold Seal Art Rugs, 6x9 feet	\$10.90
Congoleum Gold Seal Art Rugs, 7 1/2 x 9 feet	\$12.90
Congoleum Gold Seal Art Rugs, 9x10 1/2 feet	\$17.90
Congoleum Gold Seal Art Rugs, 9x12 feet	\$19.90

#### SHASTA VIEW NOTES

The rains we have had for the past few days has retarded the haymakers and harvesters to a great extent, but the weather is looking more favorable at present.

Mr. Byrum of Minnesota is spending some time visiting his sister, Mrs. G. W. Myers, and family.

Mrs. Arthur Shriner of Midland, Mrs. A. Turner, Mr. and Mrs. M. Christensen of Klamath Falls, E. G. Wilson of The Dalles, and Roy Wilson of Seattle were recent visitors at H. E. Wilson's place.

This community was well represented at the county fair, and report the exhibits very good, lots of fun, and a good time despite the cold and rain. We trust this is a good beginning of many more as good and better as the county advances, as it surely must.

J. L. McCulloch of Portland, who recently purchased the John Hale ranch, came here last week to look over his property, and spent Saturday night with O. E. Hunt, and Sunday and Sunday night at J. L. Bailey's home. Mr. Bailey took him to Merrill Monday morning.

G. W. Myers and wife, of California, invited a large number of neigh-

bors and friends to a watermelon feast Saturday night, and between fifty and sixty responded, no one being absent who could possibly attend, for all know what these feasts are at Mr. Myers' home. If those present were not satisfied it was only for the want of capacity, and we all hope the California climate will be favorable for watermelons next year.

The ladies of the Helping Hand met with Mrs. Bill Bailey Wednesday with fourteen members and sixteen visitors and children present. They re-elected Mrs. Bailey president, and Mrs. Wilson vice president, with Louise Hatch as secretary-treasurer. The next meeting will be with Mrs. Boardley on October 9.
