Two Popular Sonoras

Here you are for two exceedingly popular models of the Sonora Phonograph which sell at from ten to fifteen dollars a month on terms.

Sonoras received "Highest Award for Tone" at the Panama Pacific Exposition 1915 and we claim that five are owned by Klamath Musicians to one of any other make.

Let your ear decide—when heard in comparison the Sonora is invariably chosen.

Economy In Shoe Buying

after all doesn't consist in buying the cheapest shoes, but those which will give the greatest measure of service for each dollar invested.

The intrinsic economy of JOHN KELLY Shoes rests upon three essential factors:

- 1—Their Style gives lasting satisfaction.
- 2—The materials are the kind that give best wear.
- 3—Expert shoemaking increases their smart appearance and high quality.
