SALE OF TIMBER
KLAMATH INDIAN RESERVATION
LITTLE SPRAGUE UNIT

Sealed bids in duplicate, marked outside "Bid Little Sprague Unit," and addressed to the "Superintendent, Klamath Indian School, Klamath Agency, Oregon," will be received until 2:00 o'clock P. M., Pacific time, Wednesday, October 27, 1930, timber on about 3,600 acres on the purchase of the merchantable Sprague River in townships 34 and 35 South, Range 38 East, Willamette Meridian. This unit is estimated at 40,000,000 feet B. M., mostly western yellow pine of which about 5,000,000 feet is on about 450 acres of approved allotments, and as to which separate approved contracts with the Indian owners may probably be made. No bid will be accepted for less than \$4.00 for yellow and sugar pine and incense cedar, and \$1.00 for other species during the period of the contract ending March 31, 1934. Prices subsequent to that date will be fixed by the Commissioner of Indian Affairs for three-year periods. Each bid must state the rate per M that will be paid for each kind of timber during the first contract period ending March 31, 1934, and must be accompanied by a certified check on a solvent National Bank drawn in favor of the Superintendent of the Klamath Indian School in the amount of \$10,000.00. The deposit will be returned to unsuccessful bidders, but retained as liquidated damages if the successful bidder shall fail to execute contract and furnish satisfactory bond for \$15,000.00 within 60 days from the acceptance of his bid. The right is reserved to waive technical defects and to reject any or all bids. For copies of contract, regulations, full description of the area, and other information, apply to the Superintendent of the Klamath Indian School, Klamath Agency, Oregon.

BUCK JONES, HERO OF TWO WARS, ON SCREEN

Buck Jones, the new sensation of the screen, whom William Fox will present in "The Square Shooter" on Sunday at the Liberty theatre, is a real veteran, not of one war but two, for he saw active service in the United States army in the Philippines as well as with the French forces during the world war.

Soon after the world war started Buck Jones secured a position breaking horses for the French government in Chicago, from which position he effected his transfer to France. He was first assigned to the aviation forces and made several air trips over the German lines; but his knowledge of horsemanship could not be hidden, and he was given a post instructing French mounted officers at a re-mount station just behind the lines.

During the war Jones performed his riding stunts by request before the crowned heads of England, Belgium and Italy, and also before Premier Clemenceau of France and Orlando of Italy.

Buck Jones now is playing in motion pictures that, for danger, are only slightly behind the wars in which he had taken part.
