IF KIDNEYS AND BLADDER BOTHER
Take Salts to flush kidneys and neutralize irritating acids.
Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in avoiding it.
Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then set normally again.
Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid ir-

ritation. Jad Salts is splendid for kidneys and causes no bad effects whatever.
Here you have a pleasant, effervescent lithia-water drink, which quickly relieves bladder trouble.
WHEN YOU WAKE UP DRINK GLASS OF HOT WATER
Wash poisons and toxins from system before putting food into stomach.
Wash yourself on the inside before breakfast like you do on the outside. This is vastly more important because the skin pores do not absorb impurities into the blood, causing illness, while the bowel pores do.
For every ounce of food taken into the stomach nearly an ounce of waste material must be carried out of the body. If this waste is not eliminated day by day it quickly ferments and generates poisons, gases and toxins which are absorbed or sucked into the blood stream, through the lymph ducts, which should suck only nourishment.
A splendid health measure is to drink, before breakfast each day, a glass of hot water with a teaspoonful of limestone phosphate in it, which is a harmless way to wash these poisons from the stomach, liver, kidneys and bowels; thus cleansing, sweetening and freshening the alimentary canal before eating more food.
A quarter pound of limestone phosphate costs but very little at the drug store, but is sufficient to make anyone an enthusiast on inside bathing.
SQUEEZED TO DEATH
When the body begins to stiffen and movement becomes painful it is usually an indication that the kidneys are out of order. Keep these organs healthy by taking GOLD MEDAL MABLEN OIL
The world's standard remedy for kidney, liver, bladder and uric acid troubles. Famous since 1896. Take regularly and keep in good health. In three stores, all druggists. Guaranteed as represented. Look for the name Gold Medal on every box and accept no imitations.

BIG EATERS GET KIDNEY TROUBLE
The American men and women must guard constantly against kidney trouble because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.
When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times a night; if you suffer with sick headache, or dizziness, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidney; to neutralize the acids in the urine so it no longer is a source of irritation; thus ending bladder disorders.
Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home; because nobody can make a mistake by having a good kidney flushing any time.
