BOYS WANTED

The Herald will soon have an opening for some wide-awake boys—real boys. Applications will be received for the next few days and the boys accepted will be employed as vacancies occur in the order in which the applications are on file.

If the Wood Dealer Sold Service

We do not sell current; we sell service. That sounds odd doesn't it?

Well, suppose the wood dealer sold service instead of wood, he would tend to your furnace and your range, take away the ashes and clean the flues. You would buy so much heat.

Now you buy so much light, although you pay according to the current you consume. But the service is performed for you by this company at the substations and power plants.

That is what we want to give you—efficient service. It is the aim of this company to have none but satisfied customers. No matter what it is, if you have a grievance, or are dissatisfied about your bill or do not understand our rates, please come in and see us or write us about it.

If you have any suggestions to make, we will gladly avail ourselves of them as our aim is constantly to improve our service to you as fast as the development of science and human ability permit.

WHY IT SUCCEEDS

Because It's For One Thing Only, and Klamath Falls People Appreciate This

Nothing can be good for everything. Doing one thing well brings success.

Doan's Kidney Pills are for one thing only.

For weak or disorderly kidneys. Here is Klamath Falls evidence to prove their worth.

Mrs. L. F. Meredith, 739 9th St., says: "I can recommend Doan's Kidney Pills as a reliable remedy. I have used them off and on for some time and have always found them to be very satisfactory in relieving attacks of kidney complaint. When I had backaches and my kidneys acted irregularly Doan's relieved the attack and put my kidneys in good shape." Price 40c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Meredith had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Preliminary work is being carried out on the development of the Bridge River power site, at Lillooet, B. C., the total cost of which will be \$30,000,000. With the exception of Niagara Falls and Victoria Falls, this will be the biggest power site in the world.

Fort Worth not only won both halves of the Texas league split season, but rolled up a new league record for total games won.
