TO DARKEN HAIR
APPLY SAGE TEA

LOOK YOUNG! BRING BACK ITS NATURAL COLOR, GLOSS AND ATTRACTIVENESS

Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a 5-cent bottle of Wyeth's Sage and Sulphur Compound at any drug store all ready for use. This is the old time recipe improved by the addition of other ingredients.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared and after another application or two your hair becomes beautifully dark glossy, soft and luxuriant.

IF BACK HURTS
BEGIN ON SALTS

Flush your kidneys occasionally if you eat meat regularly

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.

NOT WORTH TRYING

Tips—Why not try a home-brew receipt?

Taps—It's this way. If I met a friend under the influence of the forbidden, I'm afraid he isn't able to give the receipt correctly, and when I meet a man who has had a few drinks and doesn't feel any happier, I'll be darned if I want the receipt. —Shoe Retailer.

SPOILED HIS "POEM"

The average printer considers poetry a nuisance. Much so-called poetry is all of that and worse. It takes longer to set verse than straight prose and there are more chances for errors. A newspaper publisher recently wrote a few stanzas about his little son, the first one beginning with the line, "My son! my pigmy counterpart." It appeared in the paper, "My son, my pig, my counterpart," and the poet was mad about it. —Capper's Weekly.
