At one time the Japanese made use of human hair in building churches. It was the custom for church-going people to give some of their hair as a free-will offering when a temple was being built. Such a structure at Tokio had the beams and rafters held in place by one of these hair

cables. Placed end on end, this human hair rope measured 4,528 feet long and was 7 inches in diameter no fewer than 350,000 persons contributing before a sufficient quantity was obtained.

In China the men as a rule are more extravagant in dress than the women.

The waters of the Grand Falls of Labrador have excavated a chasm 30 miles long.

## Hoosier Kitchen Cabinet

WHY should you endure kitchen drudgery when you can end it easily and forever? Why should you work with less efficient equipment than man? Why should you squander woman's charms in needless steps and wasted hours?

There can be no good reason. Science leaves you no excuse. For the Hoosier Kitchen Cabinet brings kitchen freedom. It enables you to sit restfully at your work and to accomplish tasks in far less time. Do not confuse it with cupboards sometimes called cabinets. The Hoosier is a scientific labor-saving device—the cabinet a million and a half women use.

### Low Prices—Convenient Terms

Price cannot withhold this great convenience—Hoosier's prices are moderate. And you need not have the cash—Hoosiers are sold on convenient terms. Should you, then, deny yourself this work-reducing, needful article of home equipment? Reason says, "No!"

Come at once—today—and select the Hoosier that

pleases you most. Join the Hoosier Club by depositing ONE DOLLAR. Your cabinet will be delivered at once. Then pay the balance in small weekly payments.

We are going to make this a big Hoosier week. And we want every housewife to come and see the Hoosier demonstrated. Don't put off your visit. Come now!
