DOING IT YOURSELF

Playing the Gulbransen Player is like driving a peppy, speedy car.

The Gulbransen Player answers to every musical whim and on account of its easy pedal touch places the performer where he really can interpret good music.

Remember, playing a Playerpiano, like driving an automobile, requires practice, but once you have one in your home and have mastered it you will never do without it.

A Challenge

I CHALLENGE COMPARISON of my every-day prices to so-called SALE PRICES
Regulation Army O. D. Army Shirt..... \$5.70
Others have them on sale for \$7.50
Heavy Army O. D. Brooches..... \$9.50
Their sale price is \$10.00.

Just purchased since the drop in prices.
Fine Worsted Suits \$37.50 TO \$48.50

These are Retail Prices, bear in mind, not Wholesale All I ask is a comparison to so-called sale prices. You Will Save Money!
