MACK PERFORMANCE COUNTS

Prices of Mack Trucks Not Reduced

Owners of MACK Trucks are assured the value of their investment is protected. Prospective owners are notified there is no indication of any decline in MACK prices.

We positively guarantee there will be no reductions in the prices of MACK trucks for six months at least.

Present prices of MACK trucks represent an average increase of only 15 per cent since 1912.

During the same period MACK truck production has increased 900 per cent.

If it were possible to manufacture MACK trucks so as to make them any better that would be done regardless of price. QUALITY is the most important factor considered in MACK trucks—prices the least.
