MOE SAYS PRICES TENDING DOWNWARD

H. N. Moe has returned from San Francisco with the statement that prices have at last hit the downward grade. "It is a case of sell all along the line—everything. A multitude of causes have conspired to bring this about, but the chief one is the tight money market forcing everyone from producer to seller to dispose of surplus stock irrespective of its original stock. In this Klamath Falls will be no exception and personally I am going to fall in line. The time has come when the merchant must take the loss predicted when the day of readjustment arrived. That day is now here and we must make the best of it."

SHOTGUN EXPLODES. BYSTANDER INJURED

Peter Lorenz was peppered in both legs with birdshot and a hole the size of a teacup was torn in the street pavement, when a shotgun in the hands of Norman Mann was accidentally discharged last evening in front of the Gun Store.

Mann, Russell McCollum and Paul Keller, all high school students, had returned from a duck hunt. Mann was extracting the cartridges from a pump gun when one of the loads was discharged. The shot struck the pavement and glanced, wounding Lorenz, who was on the opposite side of an automobile.

The wounded lad was treated at the Warren Hunt hospital. Eighteen pellets of shot were embedded in his legs.

KID BROWN HANDED KNOCKOUT BY DUFFY

Jimmy Duffy landed a knockout on Kid Brown, dusky bantam, in the first round of a three-round bout at the Klamath Athletic club smoker last night.

Wild Bill Reed and Earl Ritchie put up a good exhibition for three fast rounds. Two snappy preliminaries completed the card.

No charge was made for seats last night, all members being admitted without extra cost.

OUT OF HOSPITAL

Mrs. Louis Spencer of Klamath Falls, Mrs. C. S. Jackson of Fort Klamath and Miss Helms of Klamath Falls, all of whom underwent operations at the Warren Hunt hospital early this week left the hospital yesterday for their homes.

In "Go and Get It" there is material for at least three or four magazine pictures or at least a 20 reel thrilling serial—New York Times, Star theatre Sunday. 16

AT THE THEATERS

Dealing with a theory of mental phenomena that is declared to have electrified mass audiences of the east, Marshall Nolan's latest production "Go and Get It" comes to the Star theatre, commencing Sunday.

"Go and Get It" is a newspaper story in which an energetic team of reporters unearth a mystery of startling nature. Back of the entire mystery plot is the pertinent question of the day: Is the substitution of new human organs practicable so far as the prolongation of life is concerned?

The audience will be mystified and thrilled by the unusual events that line the path of the reporter who is told to "Go and Get It."

The entire plot of "Go and Get It" which will be shown at the Star theatre commencing Sunday is based on this phenomenon although the story is a most truthful picture of a newspaper reporter's work.

The title is taken from a quartet of words that strike home in heart of every newspaper man—"Go and Get It."
