## NOTICE TO BIDDERS

Sealed proposals will be received at the office of the County Clerk of Klamath County, Oregon, until 2 o'clock p. m., October 28, 1930, for the construction of a steel bridge at Olene, Oregon.

Length of spans 75 ft.; roadway 16 ft. wide. Live load capacity, 1600 lbs. per lineal foot. Dead load capacity, 600 lbs. per lineal foot. Steel joists 8 lines, 7 inch by 15 inch. The contractor is to furnish all the steel for the superstructure, also the necessary graphite paint for one field coat. All of the steel shall be painted before being shipped.

The County will haul all the materials furnished by the contractor from the railroad at Olene station to the bridge site at Olene. The County will construct all abutments and furnish all the lumber for the floor and railing and the necessary hardware for the placing the same, all at the bridge site at Olene.

Bridge to be finished on or before January 15, 1931. Five per cent of the amount of bid to accompany. County reserves the right to reject any and all bids.

For particulars address C. R. De Lap, County Clerk, Klamath Falls, Oregon. O. 6-9-13-16-20-23

## NOTICE TO BIDDERS

Sealed proposals will be received at the office of the County Clerk of Klamath County, Oregon, until 2 o'clock p. m., October 28, 1930, for the construction of a Timber Bridge at the Gale ranch in Langell Valley, Oregon.

This work requires the placing of approximately 24,520 Ft. B. M. of timber, 1100 Lin. Ft. of Timber piling and the placing of 5 cu. yds. of dry masonry.

Bridge to be finished on or before November 25, 1930. Five per cent of the amount of bid to accompany. County reserves the right to reject any and all bids.

For particulars address C. R. De Lap, County Clerk, Klamath County, Oregon. O. 6-9-13-16-20-23

## SUMMONS

Law No. 1264.

In the Circuit Court of the State of Oregon, Klamath County. Oregon, California and Eastern Railway Company, a corporation, Plaintiff, vs. Frank M. Sherman and Sherman, his wife; John W. Sherman and Sherman, his wife; Horroby Irrigation District, Defendants.

In the name of the State of Oregon to Frank M. Sherman and Sherman, his wife; John W. Sherman and Sherman, his wife, defendants, you are hereby required to appear or answer the complaint filed against you in the above entitled action on or before November 6th, 1930, that being the last day of the time prescribed in the order of the publication of this summons. If you fail to appear or answer, plaintiff will apply to the Court for the relief prayed for in his complaint herein to-wit: for the appropriation to plaintiff's use for all proper railroad purposes of the following described real property:

A strip of land 100 feet in width being 50 feet in width on each side of and parallel to the following described center line over and across the East one-half of Northeast one-fourth of Section 25, Township 33 South, Range 11 1/2 East of Willamette Meridian, Klamath County, Oregon, to-wit: Beginning at a point on the east line thereof 2620 feet North of the Southeast corner of said Section 25 and running thence North 60 degrees, 36 minutes West a distance of 1504 feet to the West line of the property and containing 2.45 acres of land.

And for the assessment of the damages to said defendants incurred in such appropriation and that, upon payment into this Court of the amount of damages so assessed, judgment be entered for appropriation of said land and the whole thereof for the use and purposes of this plaintiff.

Service of this summons is made upon said defendants by publication thereof for six weeks in the Evening Herald, a daily newspaper, printed and published and of general circulation in Klamath County, Oregon, by order of the Honorable D. V. Kuykenhall, Judge of the above entitled Court, made and entered on September 23, 1930. The date of the first publication of this summons is September 25, 1930. R. C. Groenbeck, attorney for plaintiff, address Klamath Falls, Oregon. Sep. 25-2-9-13-22-26-3

# COMB SAGE TEA INTO GRAY HAIR

**DARKENS BEAUTIFULLY AND RESTORES ITS NATURAL COLOR AND LUSTRE AT ONCE**

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Mixing the Sage Tea and Sulphur. An easier way is to get the phur recipe at home, though, is trouble-free to use preparation improved by the addition of other ingredients, coating about 50 cents a large bottle, at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it is done so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes dark, glossy, soft, and luxuriant, and you appear years younger.

# LADIES DARKEN YOUR GRAY HAIR

**USE GRANDMA'S SAGE TEA AND SULPHUR RECIPE AND NOBODY WILL KNOW**

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a 50 cent bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it, and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.

## It Lasts

Threaded Rubber Insulation has to stand a test as severe as the test of a lineman's rubber gloves.

After such a test you can be sure it will protect the plates and last as long as the battery.

Threaded Rubber Insulation makes "bone dry" shipment and storage of batteries possible. The Still Better Willard Battery—the only battery with Threaded Rubber Insulation—has been selected by 136 manufacturers of cars and trucks.
