

CONVENTION TO ORGANIZE ORE. FARM BUREAUS

OREGON AGRICULTURAL COLLEGE, CORVALLIS, Oct. 19.—Farm bureau officers from all over the state will meet in Portland October 22 and 23, to consider the report of officials appointed to draft a constitution and by-laws for the state farm bureau federation.

The committee appointed to act on the constitution and by-laws consists of George A. Mansfield, Jackson county, chairman; P. O. Powell, Polk; O. R. Dougherty, Clackamas; J. H. Dobbin, Willamette; Albert Hunter, Union; and W. W. Harran, Umatilla. These men met at the state fair at Salem and completed a tentative constitution for state organization of the bureaus, and their report is being sent to the farm bureaus of the state for consideration.

The object of the organization includes the following features:

To form a federation of the county farm bureaus of the state to coordinate their activities, and formulate policies for their management, adjusting relationships, to secure beneficial legislation for the farmers, and promote improvement in all phases of agriculture, home economics, and rural life.

It is proposed that the objects of federation be promoted by the adoption of a state program based on the results of a careful study of farm bureaus. These results will be formulated and directed by the executive committee in cooperation with the extension department of the Oregon Agricultural College.

CALIFORNIA NUT CROP \$13,000,000

LOS ANGELES, Oct. 19.—The 1922 walnut crop of California will amount to not less than 45,000,000 pounds, valued at from \$10,000,000 to \$13,000,000, according to W. T. Webber, secretary of the California Walnut Growers' association.

He said it was believed shelled walnuts and by-products of walnut shells would bring the growers from \$100,000 to \$2,000,000 more.

Complete figures are not available because the crop has not all been harvested.

The association's marketing system is said to give the consumer the walnuts at an advance of 25 per cent more than the producer receives for them, in comparison, according to Carlyle Thorpe, general manager, with the 65 per cent more than the producer receives that the consumer pays for the average product.

Mr. Thorpe said people eat more walnuts as the weather grows cooler and that prospects are good for an unusually heavy demand for the California crop.

He also stated his belief that the recent drop in sugar prices and the possibility for still greater decreases will increase the use of walnuts in candies and confections in general.

In the Bible mention is made of 19 different precious stones, six metals, 104 trees and plants, 35 animals, 39 birds, six fishes, 11 reptiles, 20 insects and other small creatures.

CHILOQUIN FAST FORGING AHEAD

D. M. McLemore is reported to have shipped 800 head of cattle from Chiloquin the last of the week. This is only one of the many shipments that have been made from that station in the past two weeks by Klamath cattlemen.

Chiloquin is forging ahead and is beginning to look like quite a town. It has a theatre, operated by Montgomery & Poole and a new store is being put in by Mr. Ginger, while Gowen and Heidrich who bought out the old Sprague River trading company some time ago, are arranging to build a big modern warehouse near the railroad in the near future.

GOOD CARD PROMISED AT FRIDAY'S SMOKER

Members of the Klamath Falls Athletic club are due to see some good bouts Friday night. The main event will be Kid Louis vs. Battling

Montgomery famous in local boxing meets, Tiny Behn vs. Cyclone Tubby also promises to be a hair raiser as those two are prominent fly-weights.

Baldy Blehn and Toughie Anderson, the fighting Swede, scheduled for the curtain raiser, of the Medford bout on the night of October 29th, when Ritchie and Reed heavy-weights, battle for the Pacific title, will also be on Friday's bill.

Friday night's big event is interesting many of the fans. Both boys are working hard training to outlast the other. This bout may end in a knockout.

Pugilists of all types and classes are working out each afternoon and evening. Club members receive instruction at this time, from trainers who have been through the mill.

Membership in the Klamath Falls Athletic club is the only entrance fee at the bouts Friday night and hereafter.
