TAKES SALTS TO FLUSH KIDNEYS

Eat less meat if you feel Back-achy or have Bladder trouble.

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, ache, is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.

Vote for George Chastain For County Judge

HE STANDS ON THE PLATFORM OF PROGRESS

His election means for Klamath County an administration of county affairs in which money will cease to be paid for attorneys fees and more money will be available for road building; in which no money will be paid to private detective agencies and more money will be spent in school development.

If you as a taxpayer and voter stand for progress, how can you do otherwise than endorse the attitude shown by this extract from Mr. Chastain's signed and published statement:

"I hope to have an administration that will mean progress for the county, good roads, schools and a careful business management of county affairs that will advance the community and reflect credit on me and I do not feel that I can accomplish this if I must always have the clanking chains of three courthouses dragging around with me the carcass of an issue that has been too many long years unburied."
