## PRODUCERS ARE FOR STANFIELD

(From Oregonian, Oct. 8, 1920)  
STORY OF A CAN OF BEEF

How a Democratic Tariff Affects One Oregon Industry.

Harper, Or., Oct. 4.—(To the Editor.)—The writer is a merchant, doing business at Harper, Or. Harper is a town located in the center of the headquarters ranch of Miller & Lux, the largest cattle outfit on the coast, if not in the United States.

Last week I ordered from Swift & Co., Boise, among other goods, a case of one-pound cans of corned beef. Today they came, and this was what we read:

COMPANIE  
SWIFT DE LA PLATA  
ARGENTINE

Argentine beef in the heart of the biggest cow camp in Oregon! And I was going to vote for Chamberlain. But no more. I have never met Mr. Stanfield, and I have Mr. Chamberlain. I like him for his pleasant personality and his hundred-per-cent American stand for our boys. He is welcome to my cakes and ale, but not my bread and butter.

Here are all my customers loaded up with cattle they cannot sell. We put a million pounds of as good wool as was ever grown in Oregon through our warehouses last spring, and cannot get a dollar on it, and our paternal administration is offering cape and Australian wool for sale every day. Our warehouse is full of pelts and hides which the dealers will not even allow us to ship to them, because the pelts and hides are not worth the freight. Every ship is bringing in more Argentine stuff to make conditions worse for us.

We talk of the league of nations and wet and dry. We are chasing the shadow and ignoring the real issue, which is, for us, Shall we have five-cent wool and two-cent beef again, as we had in the good old Cleveland days?

Five thousand such republicans as I was could stay at home on November 2 and not hurt the chance of Harding and Sinnott in the state or district. But in the senate we have a majority of two, and one of those, (God save the mark!) is La Follette. That is where an Oregon republican is going to have the only chance to make his vote count in this election. That can of beef showed me wherein my duty lay.

J.D. FAIRMAN.  
(Stanfield-for-Senator. Republican Club.)

—Adv.

## CANADIANS VOTE ON BAN OF LIQUOR

TORONTO, Ont., Oct. 22.—A referendum is to be held in the provinces of Nova Scotia, Alberta, Ontario, Saskatchewan and Manitoba on October 25 to decide whether the importation of intoxicating liquor into these provinces shall be forbidden by law. All of these provinces now have local prohibition in force. They are permitted under the British North America act to prohibit the sale of liquor within each province but at present cannot prevent its importation into the provinces as interprovincial trade is under the control of the dominion government.

The dominion parliament however, has decided that control of liquor shipments into a province shall be abrogated wherever the province has so voted. The purpose of this is to confer upon each province the right

## SOOTHING QUIETUDE FOR ITS PATIENTS

is one of any hospital's biggest assets and the location of this hospital makes it especially desirable from that viewpoint. Only abundantly capable graduated nurses are employed, and this fact, added to our unequalled staff of physicians and excellent hospital equipment insures our patients unsurpassed service.

## ALLEGHENY FOLK ARE PROSPEROUS

PITTSBURGH, Oct. 22.—The average daily wage of every person employed in Allegheny county, one of the country's greatest industrial centers, increased 70.2 per cent in three years, according to James Woodward, state secretary of internal affairs. The per capita daily wage for 1919 was \$6.08, while that of 1916 was \$3.58, Mr. Woodward said. He used the latter year for comparison because he said it was "fairly normal," whereas 1917 and 1918 were abnormal, owing to the war.

Although production valuation during the war years was greater than in 1919, Mr. Woodward's figures showed wages had increased steadily from 1916 to \$2.53 daily in 1917, and \$4.71 in 1918 to \$5.08 in 1919.

Production value in 1919 amounted to \$1,900,226,400 as compared with

\$1,619,322,200 in 1916, an increase of 17.3 per cent. In 1917 and 1918 production value reached well over the \$2,000,000,000 mark.

The per capita wealth of the country was \$2,580, or 2 times the average per capita wealth of the United States.

### IRISH RIOT CLAIMS

RUN INTO MILLIONS

BELFAST, Ireland, Oct. 1.—(By Mail)—Claims for damage caused in the Belfast riots in July and August amount to \$7,000,000 while Lisburn's orgy of destruction resulted in claims for \$4,075,000. Lisburn is a town of 12,500 population and owes its name curiously to its destruction by fire in 1907. Its townspeople are taking the situation philosophically and remark that "when the Sinn Feiners pay the government for destroyed courthouses and barracks we will pay and not till then."
