Vote for George Chastain For County Judge

HE STANDS ON THE PLATFORM OF PROGRESS

His election means for Klamath County an administration of county affairs in which money will cease to be paid for attorneys fees and more money will be available for road building; in which no money will be paid to private detective agencies and more money will be spent in school development.

If you as a taxpayer and voter stand for progress, how can you do otherwise than endorse the attitude shown by this extract from Mr. Chastain's signed and published statement:

"I hope to have an administration that will mean progress for the county, good roads, schools and a careful business management of county affairs that will advance the community and reflect credit on me and I do not feel that I can accomplish this if I must always have the clanking chains of three courthouses dragging around with me the carcass of an issue that has been too many long years unburied."
