

"I TOLD YOU SO!"

Now, John, you've always put off buying that Baby Grand that you promised me some day, because you said we didn't have room, and as I found out that Earl Shepherd keeps paper patterns of his Grands which can be placed upon the floor and shows the exact space occupied, I secured one, and there, now, you can see I was right.

Earl Shepherd Co. has three distinct sizes of Grands in stock, the smallest of which is only four feet eight inches long by four feet six inches for width.

Why postpone purchasing when prices are so reasonable and terms so convenient?

Upright piano taken as part payment.

Nothing Succeeds Like Success

The American who boasts of his Americanism and his God's country on every fitting and unfitting occasion is not to be laughed at for that reason. His national faith, which has the good qualities of the faith which moves mountains, is only to be admired, for it is an honest faith. We have an honest faith in Klamath Falls. We are going to succeed. You will find our every-day prices lower than special sale prices. Underbuying and underselling is our business.

C. J. Breier is in the eastern market. Mr. Breier does not make buying a side line. With thirty stores to buy merchandise for, he makes a business of it, and he knows how! You don't have to pay \$50 to \$75 for an ordinary good suit of clothes you can buy an extraordinary value here from \$25 to \$40. Look at our Governor Fur Hats at \$5.85, genuine Velour at \$7.50. We have an assortment of Gloves and Mittens that is not duplicated in Klamath Falls.

Men's black Sox, 10c per pair and no special sale, and no limit. We buy for less and sell for less.

CARS COLLIDE IN MAIN STREET

A collision occurred yesterday morning between two cars at the corner of Main and Ninth streets that resulted in the almost complete demolishing of a trailer on one of the cars, while the other car was uninjured, so eye witnesses said. Glen Nyhart was driving west of Ninth and the driver of the star mail route to Merrill was going south on Main, with the trailer behind loaded with mail. Nyhart drove straight into the trailer, it is said, and one wheel was broken off. The mail man secured a new car at the City Transfer and made his trip to Merrill a few minutes later. No report was made to the police of the accident.

Glen Nyhart is a son of M. J. Nyhart who runs the O. K. livery barn.
