The marriage of Fred Brigham Dunbar to Miss Viola Lenore Campbell, at 8 o'clock Thursday morning, came as a great surprise to the many friends of the couple. Rev. S. J. Chaney of the Methodist church read the service in the church before a small group of immediate relatives and friends. The bride was given away by her uncle, D. B. Campbell of this city. Her niece, Miss Grace Elliott, acted as bridesmaid and Roy Sloan was best man for Mr. Dunbar. The bride was dressed in her going-away costume, a brown suit and small brown hat to match. She carried a bouquet of roses and violets.

Miss Campbell, who came here about a year ago from Canada, is a sister of Mrs. J. R. Elliott of this city, while Mr. Dunbar is the son of Mr. and Mrs. R. H. Dunbar, and has spent the greater part of his life here. Since returning from France, where he served with the American army as an officer, he has been engaged in the insurance business with his father.

The young couple left immediately after the breakfast for San Francisco in the groom's car, and will spend their honeymoon there.

After the ceremony the company went to the Rex cafe, where the wedding breakfast was served. The table was decorated in pink and white carnations and ferns; covers were laid for fifteen.

There was a most interesting meeting of the St. Paul's Episcopal Guild at the home of Mrs. O. D. Burke, on Third street, Thursday afternoon. Plans were made for the Bishops visit here over the week-end.

Mrs. John Enders was a charming hostess of the week when she entertained 12 members of the young society set at a party in her beautiful home on Pine street. The table decorations were carried out with Hallowe'en favors and the rest of the house, apart from the dining room, was aglow with large bowls of chrysanthemums.

Miss Helen Abbey entertained at a Hallowe'en party Friday night at her home on Lincoln street, from 7 o'clock to 9. Fourteen girls and 14 boy spoons were in attendance on the little hostess. The house was alive with orange and black cats whose guardians were the blackest, crookedest witches imaginable. Goblin games were played and appropriate refreshments were served. As a ghost party it was a success as all the little people were afraid to go home at the close of the evening.

One of the delightful affairs of the week that was attended by society folk of Klamath Falls was the Elks Informal Hallowe'en dance, Friday night in the Temple. It was attended by many Elks and their ladies, who enjoyed the dance until a late hour.

A charming farewell four course luncheon was given by Mrs. E. W. Gowen at her home on Pine street honoring Mrs. J. E. Bratton, who is leaving soon for California. Table appointments were pink and white carnations relieved with ferns, clever little place cards carried out the pink and white idea as did the dessert. Mrs. Gowen's guests were: Mesdames L. F. Willis, C. S. Moore, Br., J. E. Elliott, George Baldwin, A.

The monthly meeting of the Ladies Aid of the Grace Methodist church was held yesterday afternoon at the home of Mrs. E. M. Chilcote. About 50 ladies attended and enjoyed an afternoon with games and music. A quartet made up of Mrs. Melby, Miss Calhoun, Miss Bond and Mrs. Lindesty sang as did the boys of Mrs. Belding class from the Central school. A number of Pelican City ladies attended the meeting.

The Womens Auxiliary of the American legion will hold a dance, in the Odd Fellows hall for the entertainment of all ex-service men, wives daughters, mothers and sisters, Tuesday night of next week. The ladies have planned on having election returns received at the hall during the evening. The evening's entertainment will be divided between dancing and cards; refreshments will be served by the ladies in charge of the affair.

Miss Sepha and Jean Rogers will be delightful little hostesses tonight at a party for about 30 of their school mates at their lovely home on Pacific Terrace. Games are planned for the evening and tasty refreshments will be served to the young people.

Yes you can have  
such a phonograph

Let us show you the Certificate of Authenticity which Miss Verlet has signed. This is the outstanding fact which comes to you out of the memorable tone-test recital given last Monday in Elks Temple. A new era in music is here. Mr. Edison has lifted the phonograph to the dignity of a new art.

You can no longer be satisfied with a phonograph that imitates. Now, you want a phonograph that equals the human voice.

You know there is such a phonograph. Mr. Edison made an astounding test with the Official Laboratory Model of the New Edison to prove it. Klamath Falls heard the New Edison Re-Creat Alice Verlet's voice in direct comparison with Verlet's living voice. So realistic was the New Edison's performance that no one in the entire audience could distinguish it from Verlet's living voice.

## The New Edison

"The Phonograph with a Soul"

You yourself can have such a phonograph. Let us show you the exact duplicates of the Official Laboratory Model, which triumphed in the tone-test. Let us show you the Certificate of Authenticity, which Miss Verlet signed, after inspecting these instruments, and in which the great prima donna declares that these instruments are the equals in every respect of the instrument used in the tone-test.

You can buy your New Edison on a Budget Plan which so distributes the payments that you'll hardly feel them.
