

### TO THE VOTERS OF OREGON!

The taxpayers of Portland and Multnomah County are not only willing but anxious to provide the Port of Portland with needed funds for dredging our river channel to the sea. The committee that formulated what is known as the Port of Portland and Dock Commission Consolidation Bill under the numbers 310 and 311 on the ballot insisted, however, upon weighting down the measure with an enormously expensive real estate scheme, and by a formal vote turned down the request of taxpayers that the Swan Island scheme and the River Channel scheme be presented as separate measures. Refusing to be forced to swallow something they cannot approve, Multnomah County is expected to vote adversely to the whole scheme by an overwhelming majority. Having done this, they will then be ready to vote for any needed amount for improving our river channels. A committee of the City Club has submitted a detailed analysis of the measure showing that it means an ultimate expenditure of at least \$40,000,000.

Our Chamber of Commerce and other civic bodies with all of our river pilots and steamboat owners and others have protested against it. At least twelve former and present members of the Port of Portland and the Dock Commission have declared against it. A majority, if not all, of our City Commissioners oppose it. The Committee of Fifteen that drafted that measure is divided.

#### The Taxpayers of Portland Appeal to You

In a spirit of fair play to save this county from imposition upon us of such an overwhelming and paralyzing debt as this measure contemplates. It would be deemed offensive if we gave expression to what we believe to be the selfish and ambitious political motives that have inspired the measure which is submitted with a distinctively deceptive title.

We simply appeal for fair play and a decent consideration of the hopeless plight in which this community will find itself if the measure carries. As citizens of outlying counties who will not have to pay a dollar of the debt imposed, we appeal to you to consider what would be your feelings if Multnomah County should try to impose a similar burden on you. Our interests in a general way are mutual.

It is our sincere judgment that the success of this measure will seriously retard, instead of promoting, the development of this port and that the state at large will in return suffer severely as a consequence.

"All who are earnestly desirous that the Republican party shall take control of national affairs, to the end that we may restore the health of the Republic and insure the good of the country, will wish, as I wish, that the voters of Oregon may find it to their best judgment to support Robert N. Stanfield for United States Senator."—Warren G. Harding.

#### The next Vice President wants Oregon to send a Republican Senator

"The success of the Republican ticket in Oregon is earnestly to be desired. More than that, my own desire to preside over a Republican Senate leads me to hope for and recommend the election of R. N. Stanfield to represent your great state in that honorable body."—Calvin Coolidge.

#### "Young Teddy" Makes the same request of you

"Heartily endorse candidacy of Robert N. Stanfield for Senate. Apart from the fact that a Republican majority in the Senate is of vital importance just now, he is the type of man all the voters of Oregon should be proud to have represent them."—Theodore Roosevelt.

#### Taft urges that you vote for Stanfield

"Election of Harding is assured, but he can do little unless he has a local Republican majority in the Senate and House. I earnestly urge all who vote for Harding to vote for Stanfield."—William H. Taft.

#### Hughes believes in Stanfield

"I cordially endorse the candidacy of Robert N. Stanfield for United States Senate. In addition to Mr. Stanfield's qualifications for that office, it is of very great importance that there should be a Republican majority in the Senate to support a Republican President and make possible an efficient and successful administration. I sincerely trust that the people of Oregon will not fail to elect Mr. Stanfield."—Charles E. Hughes.

Don't waste your vote trying to send a Democrat to Washington to support a Republican President.
