

## G. O. P. AVALANCHE SWEEPS THE NATION

### OUR NEXT PRESIDENT

### HARDING AND COOLIDGE, 'BOB' STANFIELD CHOSEN

PORTLAND, Ore., Nov. 3.—Six hundred and seventy-seven precincts give Harding 22,954, Cox 12,269. For senator, 682 precincts give Stanfield 30,615, Chamberlain 26,274. Hawley is elected congressman in the first district and Sinnott in the second. In the third, 140 precincts give McArthur 9,316 and Lovejoy 7,597.

NEW YORK, Nov. 3.—One of the most sweeping republican victories in the history of the party stands recorded today for Senator Warren G. Harding for president, and a republican congress.

Tremendous, unparalleled republican pluralities continue to mount today. Early reports gave assurance of 320 electoral votes for Harding and 127 for Cox, with 75 doubtful. If these figures prevail, the republican party will have the largest majority in the electoral college than at any election since 1860, except in 1912, when Wilson was elected through the medium of the split in the republican party. The women's vote, the first time since the adoption of national woman's suffrage, contributed largely to republican majorities.

Republican control in congress is assured for another two years. There will be an increased majority in the house, and the senate will also have a substantial majority. The returns on the congressional candidates constitute the major part of the election sweep. Only 17 states, most of them democratic strongholds, show a plurality of 20 votes, and at least eight of the republican candidates are victorious. The remaining seven republican senatorial candidates have apparently safe leads. Democratic successes are confined to the southern states, and in border and western states the democrats are fighting uphill battles.

### RESULTS SO FAR FROM STATE

PORTLAND, Nov. 3.—Harding carried the state about 2 to 1. Returns from 609 precincts give Harding 27,355; Cox 14,540; Watkins 130; Debs 528.

Stanfield is leading for the senate. Returns from 811 precincts give Stanfield, 31,005; Chamberlain, 18,085; Nlaughter, 749; Hayes, 617; Nenson, 104.

Secretary of state returns from 131 precincts give Kozer, 10,088; bears, 847; Upton, 902.

For the service commission West 108 precincts give Bennett, 3042; Hachtel, 6181; Newsum, 898.

For the supreme court vacancy 87 precincts give Justice Brown, 2385; W. O. McCarthy of Portland, 217.

For attorney general 83 precincts give Van Winkle, 1193; Bailey, 58; Coshaw, 199; Johnson, 28.

Amendments, 124, precincts, Oleg, yes, 2290, no, 7104. Single tax, yes, 2122, no, 2028. Bird refuge, yes 5737, no, 6010.

From 257 precincts dock commission reports on the bill are, yes, 6758, no, 6465. Anti-vaccination, yes, 4927, no, 10,466. Legal rate interest, yes, 2922, no, 12,290. Divided legislature, yes, 4651, no, 1991. Market act, yes, 4,228, no, 9,505.

### COUNTY STRONG FOR STANFIELD

Scattering returns from various parts of the county—no effort being made to compile all precincts in the state and nation while interest is at fever heat over close county race—gave Harding 523 and Cox 201. Stanfield had 528 against 453 for Chamberlain.

N. J. Sinnott completely snowed under James H. Graham, his democratic opponent, the score being 620 to 124 in five precincts reported, none of them large.

Bradbury will not have a large lead, if any. The few precincts gave Hurdick 346, Overstarf 228 and Bradbury 230.

With interest centering upon local issues—the courthouse contest and the results of the municipal ballot—figures for national leaders were slighted somewhat today by compilers of returns.

From the incomplete returns at hand it is estimated, however, that Harding and Coolidge carried the county by a tremendous majority, perhaps by four to one and certainly by three to one.

Stanfield evidently won a victory over Senator George Chamberlain in the incomplete returns indicating that his lead will be substantial.

## Wiley Wins Easy Victory; Bunnell and Short Re-elected

### LEE LOSES RACE BUT WILL BACK MAYOR TO LIMIT

Wilson B. Wiley will be the next mayor of Klamath Falls as the result of yesterday's election. His opponent, W. T. Lee, ran well but considering that Wiley made but slight efforts in the campaign, the tribute of confidence shown in the majority he received was convincing evidence that the people of the city believe in him.

Among the general discord and recrimination that accompanied the late campaign, the election of Wiley strikes one harmonious note that augurs well for united effort and progress in the city.

W. T. Lee last night, while conceding defeat, reiterated the pledges of friendship and support for the Wiley administration that were the keynote of his utterances throughout the contest.

While each side strove to win in the mayoralty contest, their methods were the methods of friendly contenders and the defeat of either one or the other, each swore would leave no sting.

Mayor Struble's term expires January 1st. With the exception of Councilman Upp, who has resigned, all councilmen will hold office until June 1 if they so elect.

The tabulated returns on this page show the successful candidates for council in the five city wards.

### SAYS POLITICAL ENEMIES SEEK TO HARASS HIM

W. F. Kay, secretary of the Central Labor Council was arrested last night on his return from a trip to Algoma, on a charge of violating the corrupt practice act in connection with yesterday's election.

Kay is accused of circulating election literature on election day, which did not bear the name of the publisher. Both charges constitute separate breaches of the statute.

One set of posters set forth the allegation that County Judge Bunnell and Burrell Short, candidate for commissioner, were not acceptable to labor because they had established a three-dollar-a-day wage scale for county work. The bill named the page and volume of the county court journal in which it alleged was the entry fixing this wage.

Another poster set forth "four reasons why W. T. Lee is not acceptable to organized labor."

Boat posters, which were freely circulated, bore the phrase "union printed," but did not bear the imprint of any particular printing shop.

Kay was released on \$500 bond shortly after his arrest. The complaint against him was signed by Wm. H. True.

The hearing of the complaint will be held by Judge Chapman tomorrow afternoon at 2:30.

While his bond was being arranged Special Officer William True waited with a search warrant, and when Kay was released a search of his office was made. Nothing was found in the office, but in the council hall a jug of liquid was found. When turned out it was found to resemble vinegar or cider, and witnesses said it was full of flies, having evidently stood uncorked and attracted the insects.

The officer took the jug away with him. Kay said it had been standing in the room since some union held a social there.

Kay's poster regarding Lee has been attacked by the Culinary Al-

### CITY REVENUE INCREASES, SALARY RAISES SANCTIONED

Completely reversing their decision at last November's special election, local voters yesterday went on record as endorsing increase of tax levy, a 20 per cent bonding limit and all of salary increases recommended for city officials. Following is the total on measures. Complete returns from five precincts give:

Biennial election in November—yes, 722; no, 255.  
Officers to qualify in January—yes, 772; no, 274.  
All officers, except police, firemen, etc., must be registered—yes, 725; no, 99.

Fiscal year to start January 1st—yes 642; no, 257.  
Budget law, 20 per cent bonding limit—yes, 599; no, 199.  
Fifteen per cent bonding limit—yes, 598; no, 252.

Salary raises—Mayor, yes, 594; no, 284; police judge, yes, 646, no, 225; city attorney, yes, 598, no, 226; treasurer, yes, 577; no, 222; physician, yes, 595; no 216; councilmen, yes, 499; no, 222.

For \$22,465 tax levy—yes, 499; no, 271.

For \$22,100 tax levy—yes, 592; no, 261.

(NOTE—Owing to election board in several city precincts failing to make semi-official returns or post them at the polls, as regards the city election The Herald was unable to get a complete tabulation, which otherwise would have been possible. The only office that is considered doubtful, however is the fifth ward councilmanship. Volmer appears to have considerable advantage.)

West and Frank Miles; fourth, C. C. Colvin, incumbent, and Bert Hawkins; fifth, Don Belding and J. D. Volmer. J. T. McCollum had no opposition in the third ward, but received a handsome complimentary vote and will represent that ward in council.

### Anderson Funeral in Portland Tomorrow

Mrs. P. L. Anderson left this morning for Portland accompanied by her sister, Mrs. C. M. Wright. They are taking the body of Mrs. Anderson, who was killed on the McCornack ranch Saturday, to Portland for burial. Every assistance was rendered Mrs. Anderson, who has a small baby to care for, by logger friends of her husband, and by the American legion.

The Steiger Lumber company raised \$230 for the young widow, Quigley's camp, for which the deceased was working at the time of the accident, donating \$250, and the American legion took up a collection of \$45 last night. Earl Whitlock and the Klamath Manufacturing company bore all funeral expenses.

### AUTO VICTIM NOT BADLY HURT, REPORT OF HOSPITAL

Arthur Ricketts of 1145 Oregon avenue, who was run down by a Ford car yesterday, was removed from the Blackburn hospital today to his home, and is believed to be in no danger of serious complications. He was run over yesterday morning by some unknown person.

### Hance, which makes a published statement that Kay took in too much territory with the phrase "organized labor," though he might have authority to speak for the International Union of Timberwork- ers, whose insignia both hand bills bore.

Kay declares he is guilty of none of the charges brought against him, that he circulated no literature on election day, that both bills contained nothing but the truth and that the oversight in not placing the printer's trademark on the bills was an oversight for which he is not responsible.

He asserts that the arrest was "framed" by enemies he has made by his political activities in the campaign now past, and engineered to take place at a late hour so as to cause him all the inconvenience possible.

### Granary Burns; Grain Destroyed

A fire that started from unknown causes last night destroyed several hundred dollars worth of grain in a granary somewhere near 720 Reclamation avenue, in Mills addition, according to one of the local firemen. The fire was extinguished in about ten minutes after the fire department arrived on the scene.

Fire Chief Delaney could not be found at the fire department up to 10:45 this forenoon, and in his absence the firemen at the city hall said that it would be impossible to tell the exact location, as he was the only man who had any record of it.

### Looks Like Defeat for Low Interest Bill

While a few small precincts in the country "fell for" the low interest bill, the city precincts appear to be thumping it good and hard, and it will go down to defeat as far as Klamath county is concerned.

The state marketing bill was swatted more or less, but will carry in Klamath, according to indications.

### Heaviest Woman Dies in England

BRISTOL, England, Nov. 3.—Lucy Moore, reputed to be the heaviest woman in the world, is dead. At one time she weighed 683 pounds.

Miss Moore was born in Kentucky, and had been in the show business for many years. She traveled all over the world, and was said to have received many offers of marriage.

### MISSIONARY MEETING

The Woman's Missionary society of the Christian church will meet tomorrow at 2:30 P. M., at the home of Mrs. R. H. Dunbar, 420 Jefferson street. Members and friends are invited to be present.

### BUNNELL AND SHORT CARRY TICKET THROUGH

County Judge R. H. Bunnell and Commissioner Burrell Short defeated George Chastain and Fred Peterson in yesterday's election by an overwhelming majority. Defeat was conceded by Chastain supporters at midnight when the overwhelming vote in the eastern end of the city, coupled with reports of Bunnell and Short majorities in big outlying precincts foreshadowed certain defeat, but as time passed the majority piled up, and it appears possible in the face of returns, fairly complete, that the majority will be nearly 500.

Judge Bunnell, figures show, ran slightly behind Commissioner Short. Lloyd Low and George Humphrey, incumbent, are neck and neck for sheriff, Humphrey leading.

The race between Frank Sexton, Good Government League candidate, who entered as an independent contender, a few weeks before nominations closed, over C. R. DeLap, incumbent, who had both republican and democratic nominations, was one of the surprises of the election.

Bunnell and Short carried Sexton to victory with them, it seems certain, although the race is so close that final count may swing the pendulum either way. Mr. DeLap was 28 votes behind, with favorable precincts to hear from.

Wm. Duncan, the present district attorney has apparently been defeated by C. C. Brower, who has a lead of more than 100 votes.

Reports from 31 out of the county's 35 precincts, with 26 complete and the others partial, this afternoon gave Brower 1,025 and Duncan 976; Bunnell 1,628, Chastain 1,166; Peterson 1,122, Short 1,722; Humphrey 1,434, Low 1,403; DeLap 1,624, Sexton 1,652.

### Austrian Government Faces Huge Deficit

VIENNA, November 3.—A deficit for the current year of 18,000,000,000 crowns is admitted by the finance department. Other estimates, however, place it at a much larger figure, in view of the constant demands of state employes for increased wages and allowances which the government must concede.

Replying to a delegation of civil servants the government admitted that there were 60,000 more employes on the payroll at present than there were covered in the estimates. Also it was confessed that it was next to impossible to reduce the list and throw these people into the ranks of the unemployed with the approach of winter.

### BUSINESS MEN WILL BANQUET FRIDAY EVENING

The Business Men's association will hold its regular monthly meeting and banquet Friday evening at 8 o'clock, November 5th, at the White Pelican hotel. Matters of importance to the association will be discussed, and because of this all members are urged to be present.

### Legion Lecture Thursday Night

The lectures and slides for the Newell Dwight Hillis lecture to be given at the Presbyterian church tomorrow night under the auspices of the American Legion have already arrived. They will be given at 8 P. M.

There will be no admission charge, as it is desired to have as large a number as possible attend. These lectures have been given to large audiences in the east and middle west, and have proven a big success.
