The virgin forests of the United States, which formerly covered 522 million acres, have shrunk to one-tenth of that area.

All classes of forest land, including celled, burned and cut-over areas, in the United States now aggregate 468 million acres, or a little

more than one-half of our original forests.

The per capita consumption of lumber in the United States for the year 1918 was about 200 board feet.

Practically one-fifth of the remaining timber of the country is contained in the national forests.

Auxiliary's Election Social Was Success

The Women's auxiliary of the American Legion were hostesses to more than 200 members of both organizations at the informal meeting last night in the I. O. O. F. hall, where a special election service by Western Union apprised all visitors of the trend of the election.

Dancing was a feature of the evening, the Jazz Symphonic Four furnishing the music. A buffet spread regaled all comers, and the auxiliary members estimated more than 200 people shared the hot coffee and accompanying viands.

Crown Prince Has New Attraction

WIENHAGEN, Holland, Nov. 3.—The former German crown prince now has a rival attraction on this little island, in the great Euzder Zee dam which is to reclaim thousands of acres from the sea. Construction work has actually begun, with headquarters here.

Looks With Favor on Former Emperor

DOORN, Holland, Nov. 3.—The village of Doorn now begins to look upon the former German emperor as a welcome guest. His residence here, under the new tax assessment levied on the estate, is expected to increase the town's income by about \$12,365 annually, being about 25 per cent of the entire municipal tax receipts of Doorn. This is the municipal share of the anticipated revenue from taxation of William's income, which the Dutch government has estimated at the normal equivalent of \$522,000 annually.

MEETING AT CHURCH

The Woman's Auxiliary of the Presbyterian church will hold its first regular meeting Thursday afternoon in the parlors of the church at 2:30. An interesting program has been planned, after which tea will be served. All members and friends of the church are invited to be present.

If the Wood Dealer Sold Service

We do not sell service; we sell service. That sounds odd doesn't it?

Well, suppose the wood dealer sold service instead of wood, he would tend to your furnace and your range, take away the ashes and clean the flues. You would buy so much heat.

Now you buy so much heat, although you pay according to the current you consume. But the service is performed for you by this company at the installations and power plants.

That is what we want to give you—efficient service. It is the aim of this company to have more but satisfied customers. No matter what it is, if you have a grievance, or are dissatisfied about your bill or do not understand our rates, please come in and see us or write us about it.

If you have any suggestions to make, we will gladly send ourselves to our aim is constantly to improve our service to you as fast as the development of science and human ability permit.

Chain Stores

Hard as it is for other businesses that have to compete with the Chain Stores, the Chain Stores are a forward step, if beneficial to the common people.

Breier & Petersen's Chain Stores are a state-wide institution in Oregon. We have stores in the following cities: Albany, Baker, Cottage Grove, Salem, Eugene, La Grande, Bend, Pendleton, Enterprise, Medford, Grants Pass and Klamath Falls, besides in Washington and Idaho—about thirty in all. We purchase in immense quantities at the lowest possible figure, our overhead cost is small, no expensive fixtures, not even a show case, no expert salesmen. Our Men's Suits have dropped this week from \$3 to \$5 per suit. Blue Serge suits now from \$20 up to \$40. Men's Casimere sox at 35c per pair. Men's coveralls \$4.50. Wells Fargo overalls \$2.25. Blue Denim overalls \$2.50 and \$2.75. Ladies' wool stockings 75c pair. Heavy fleece lined stockings 35c. Ladies' shoes from \$4.50 to \$10.50. We just received a shipment of new O.
