She advises how to bring the separated together, and makes happiness in your home; tells in regard to your absent friends; she tells you what business you are adapted for, when to speculate and where to locate, and how to avoid all trouble. She tells you the secrets of being happy and successful in anything you take in hand. ## AN OLD RECIPE TO DARKEN HAIR

SAGE TEA AND SULPHUR TURNS GRAY, FADED HAIR DARK AND GLOSSY.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old-time recipe improved by the addition of other ingredients, at very little cost. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this thru your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two your hair becomes beautifully dark, thick and glossy and you look years younger.—Adv.

## AN INSIDE BATH MAKES YOU LOOK AND FEEL FRESH

Says a glass of hot water with phosphate before breakfast keeps illness away.

Physicians the world over recommend the inside bath, declaring this is of vastly more importance than outside cleanliness, because the skin pores do not absorb impurities into the blood, causing ill health, while the pores in the ten yards of bowels do.

Men and women are urged to drink each morning, before breakfast, a glass of hot water with a teaspoonful of limestone phosphate in it, as a harmless means of helping to wash from the stomach, liver, kidneys and bowels the previous day's indigestible material, poisons, sour bile and toxins; thus cleansing, sweetening and purifying the alimentary canal before eating more food. Those who wake up with bad breath, coated tongue, nasty taste or have a dull, aching head, sallow complexion, acid stomach; others who have bilious attacks or constipation, should obtain a quarter pound of limestone phosphate at the drug store. This will cost very little but is sufficient to show the value of inside bathing.
