ERROR IN TRAIN TIME ANNOUNCEMENT CORRECTED

In Saturday's issue it was inadvertently stated that the local passenger from Weed would leave each morning at 9:45 as at present, a contradictory statement that in itself shows error as the present time of leaving is 9:15.

The train leaves at 9:15 but the time of arrival is changed and it will arrive half an hour earlier each evening, or at 7 sharp if on schedule.

WIRELESS FIRE TRUCKS

SHANGHAI, Oct. 15.—(By Mail.)—Trucks of the Shanghai fire department are soon to be equipped with wireless telephones, conforming to latest practice of fire departments of the largest cities. The improvement is expected to enable the department at all times to keep in touch with its men while fighting fires.

H. C. I. STILL GOING UP

BERNE, Oct. 27.—(By Mail.)—The cost of living in Switzerland reached a new record last month, being three and one-half per cent higher than was ever known here. The cost of maintenance for a family of four, including only the barest necessities of life now amounts to 2790 francs yearly. The increase in the prices is especially noticeable in the meat and milk trades.

NAMESAKES NOT KIN

WOODLAND, Cal., Nov. 15.—Along one block in this city are two families named Howard, two named Holt and two named Mast. The Howards, occupying contiguous premises in the middle of the block, are unrelated, as the Hols who flank them on either side. The two Mast families occupy the corner properties on the block.

AFTER THE RODENTS

VISALIA, Cal., Nov. 15.—Rodent control work in Tulare county has assumed the character of a real war

with the decision of the supervisors practically to double the number of inspectors and to take a more positive stand against land owners who neglect instructions to help eradicate the pests. One of the hardest campaigns of all is planned for the winter months which, under the direction of Horticultural Commissioner Chas. F. Collins, promises excellent returns.

TRADE TRADE TRADE TRADE TRADE

Trade

The average human is of a bartering disposition, and this trait can be developed at The Perkins Furniture House, for trading furniture is my meal ticket. It may sound peculiar, but honest, I had just as soon trade with you as to sell for cash, for I have such a demand for used goods that I am unable to supply my friends with merchandise of this class. So if you have a piece of furniture that does not fit, tell Perkins. If you have a piece you want to trade call 41W and either I or Walter will try and fit you out.

We will trade for almost anything—get the almost, for washing machines and some other articles are on the taboo list. But, seriously, trading is my game. Remember, I told, you once that my initials were J. T., and that the "T" stood for "Trade."

You know what the Red Cross did in war time because you were the Red Cross; you gave of your time and your money. But what of your Red Cross in Peace Time?

DID YOU KNOW THAT—
—Ever since demobilization your Red Cross has kept in constant touch with the families of 800,000 soldiers and sailors and marines? This service has embraced almost everything from supplying first aid to seeing a man through to a better job than he ever had before.

—In an average month this year, your Red Cross aided 423,888 adults and 101,765 children in Europe? People who otherwise would be without even the simple necessities of life.

—Last year in the United States your Red Cross aided more than 30,000 victims of flood, fire, tornado or other unavoidable disasters in 150 stricken communities?

—Last year 92,000 women and girls, under Red Cross instructions, completed courses in home care of the sick?

Plays All Makes of Records, Does the STRADIVARA
KNOWN FOR TONE? PATENTED

Owners of the Master Musical Instrument—the Stradivara—are not limited in the records they can play. With this instrument you can have an unlimited selection, because the universal reproducer permits the playing of every make of record.

No need to purchase an instrument now that plays only its own records. The Stradivara has eliminated this. When you have a Stradivara the unlimited record libraries of the world's largest record makers—all of them—are at your service.

The Stradivara has a sound-board that makes it "Akin to Stradivari's violins."

There are no metallic, piercing or megaphone tones.

The Lost Children's Battalion

Over two years ago 782 children—probably more than are in your entire Sunday school—were shipped from Petrograd into Siberia when food ran short.

Then your Red Cross stepped in, helped feed and clothe them, doctored them, mothered them (some of the little cherubs were mere babies) and has kept them safe and sound.

Russian revolution made it impossible to take them back the way they came. So the Red Cross set out on a 25-000-mile journey to take them back home by way of Japan, through the Panama canal to New York and then to France. The New York Tribune, in an editorial August 25, 1920, says: "In the face of difficulties almost insuperable the American Red Cross has kept them safe and sound."

It is estimated that there are in Europe more than ten million fatherless children—little homeless wanderers—who must continue to look to your Red Cross for help.

Your Red Cross membership makes it possible to carry on such work. Join the Red Cross or renew your membership during the Red Cross Fourth Roll Call, November 11-25, 1920.
