Made with Style-II Mold

Abundant Fruit
In bottles in each Jiffy-Jell Dessert

Let us help you serve Jiffy-Jell in a dainty way Thanksgiving. Get these free molds now.

Jiffy-Jell is a quick real-fruit dessert. The flavors are condensed fruit juice in liquid form in glass.

There's a wealth of fruit. We use, for instance, half a pineapple to flavor one dessert. The fruit is crushed in Hawaii—fruit too ripe to ship.

So with all fruit flavors. Each is the essence of much ripe fruit.

At little cost

Jiffy-Jell comes ready-sweetened. It comes acidulated with lemon or grape acid. Simply add boiling water, as directed on package, then the fruit essence from the vial, and let cool.

A package serves six in mold form, or 12 if you whip the jell. All for 15 cents—less than the fruit alone might cost.

This is the new-type quick gelatin dessert. It has brought to millions a multiplied delight.

Get an assortment—have these fruity dainties on call. Then send us the trade-marks for attractive ways of serving.

Do this now. Get the molds in time for your Thanksgiving dinner.

Lime-fruit flavor makes a tart green salad jell. Serve with the salad or make a salad loaf. Or mix in meat left-overs for a meat loaf. Mint flavor makes a mint jell to serve with roast meats, hot or cold.
