

WILL NOT TRY KAISER BILL

LONDON, Nov. 22.—It seems now to be finally settled that the former German emperor is not to be tried in contumacious.

The question was asked the other day of Premier Lloyd George in the house of commons by Charles Frederick White, liberal member for west Derbyshire, whether, "in view of the fact that Holland has refused extradition of William Hohenzollern, the supreme council would summon him for trial, and, in the event of his non-appearance, would arrange that he shall be tried in his absence, so that the promise that he would be tried in London might be fulfilled."

A written reply was made by Andrew Bonar Law, leader of the house of commons, saying: "The government are not prepared to adopt this suggestion."

French General Makes Discovery

PARIS, Nov. 22.—General Fayolle said upon his return recently from his three weeks stay in the United States, "I have just discovered America and America has conquered me. It is a wonderland."

"It has been a hard fight, those three weeks in America," the general went on with the usual humorous twinkle in his eye. "I come back on the verge of collapse with grim dyspepsia holding me in its grip. Without taking back anything that I have said about American expeditionary force cooks being rank amateurs, I must take off my hat to American chefs. There were many banquets, luncheons, I survived them all."

To the suggestion that most of the chefs at the leading hotels were French, General Fayolle replied: "They may be but they certainly have undergone an evolution for they had strange dishes of their own."

"Did you miss your wine with meals," he was asked.

"I never missed my wine," Fayolle replied.

"Don't ask me to talk local American politics," General Fayolle went on when requested to explain whether he meant that he had his wine twice a day as is his custom or that he did not miss it temperamentally.

"I have had a grandiose reception that I shall never forget although I am certain that it was not for me personally but because I represented Marshal Foch and the French army. "I lived through it," concluded the general, "but even the organizers of my tour had to admit that it was a record for endurance."

EAT LESS MEAT IF BACK HURTS

Take a Glass of Salts to Flush Kidneys if Bladder Bothers You

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.—Adv.

U. of O. and Aggies Tie in Great Battle, Stanford Defeated

BERKELEY, Cal., Nov. 22.—University of California's undefeated football juggernaut plunged its way through the Cardinals of Stanford university to the Pacific Coast conference championship before approximately 30,000 persons here Saturday in the "big game," the annual football spectacle of the coast.

The score was: California 38; Stanford 0.

A touchdown and subsequent goal four minutes after the start of the contest, followed six minutes later by a field goal by Toomey; a touchdown and a goal in the third period; and three touchdowns and goals comprised the Blue and Gold scoring. Not once did Stanford threaten the California goal; in fact the Cardinals failed to make first down once during the contest. Only the "Stanford spirit"—invoked when California had the ball in the shadow of the Cardinal goal posts—kept the score from assuming larger proportions. Twice Stanford repulsed within her own ten-yard line the California rushes which were irresistible in midfield.

Every available seat in the field, with a capacity in excess of 27,000 was filled and many persons, unable to get seats, saw the game from the hills back of the field.

UNIVERSITY-AGGIES TIE CORVALLIS, Nov. 22.—The Oregon Aggies in the state championship played the University of Oregon team to a standstill in Saturday's game. The score was 0 to 0 at the close.

In the final period, taking advantage of the fumble of Steers, which gave them the ball in Oregon territory, the Aggies started a series of passes with Kasberger as the pivot man. The last one put the ball on Oregon's four-yard line for a first down. Then Oregon made a magnificent stand and withstood four plunges. It was the Aggies beat and only chance.
