

OREGON BREVITIES

ROSEBURG, Nov. 24.—There is apt to be a general howl raised all over Douglas county when the next tax statements are received, for there is going to be an exceptionally sharp jump in taxes over the past year and it is quite evident that the taxes this year will be heavier than ever before in the history of the county.

THE DALLIES, Or., Nov. 24.—Confused by two rapidly approaching automobiles, H. P. Steers, father of Bill Steers, football star, was knocked to the pavement and seriously injured Thursday night. The automobile was driven by J. G. L. Brace of this city, who took the injured man to the hospital. Brace is said to have been watching the approach of another car, which, coupled with rain on the windshield, caused him to overlook Mr. Steers as he started to cross the street.

WILLAMINA, Or., Nov. 24.—It has been announced that no reduction in wages will be made here in the railroad work under the supervision of the Spaulding Logging company. The work is expected to last throughout the winter and the men all seem to be in earnest to push the job along at a good pace.

GOLD HILL, Ore., Nov. 24.—In spite of the high cost of mining, apparently a general resumption of quartz mining in this region is at hand. This industry here has been totally suspended since 1914, at the beginning of the war. It was during this period that a general resumption of the industry was setting in, after several years of dilatory inactivity.

DAYTON, Or., Nov. 24.—The walnut growers of Dayton and surrounding vicinity are now disposing of their 1920 crop at good prices. The walnut-growing industry of this part of the state is increasing materially. That this industry is profitable is shown by the following table of the production of a four-acre orchard of 12-year old trees owned by Martin Miller, two miles from Dayton.

PORTLAND, Nov. 24.—In the big robbery which recently took place between Omaha and Council Bluffs, Neb., \$50,000 worth of bonds belonging to the Lumbermen's Trust company of Portland were stolen. Word to that effect has been received here from the postoffice department, in answer to repeating queries of the local house as to why the bonds were undelivered at their destination. The loss was covered by insurance.

EUGENE, Or., Nov. 24.—The chamber of commerce will give a big fat turkey to each member of the team that obtains the largest percentage of the sum allotted to it in the campaign for a city development fund. The campaign started this week. The city has been divided into 16 districts and a committee has been named for each. A certain sum will be allotted each body of workers and the members of the committee nearest that sum will get the "gobbler."

PORTLAND, Ore., Nov. 24.—Federal officers have made six arrests on warrants issued by United States District Attorney Clarence Reames after revenue agents reported they had purchased material for making home brew. The arrests followed the imposition in federal court of fines of \$350 each on proprietor and clerk of a store, who confessed they had sold hops and malt. The men arrested today were a hardware wholesaler, four proprietors of a grocery store and a clerk in their establishment.

PORTLAND, Nov. 24.—The milk station at the Couch school benefited by the entertainment staged at the school under auspices of the parent-teacher association. Children in the schools of Portland numbering 3700 are at present being served daily with milk.

PORTLAND, Nov. 24.—A big Thanksgiving-day feed for the dogs, cats and goats at the city pound is being arranged by Mrs. F. W. Swanton, of the Oregon humane society, and the menu will be supplied by "a very wealthy Portland woman, whose grief over the loss of a pet collie is thus to be assuaged, to a degree," according to announcement.

ROSEBURG, Nov. 24.—Slides are causing considerable trouble on the paving highway between Winston and Myrtle Creek, and considerable danger is experienced in traveling over this road. Workmen are removing the slides as fast as possible, but considerable dirt is on the pavement and the road is being frequently blocked by railing trees.

Our big sale of shoes is still running. J. E. Enders & Co. 22-24 Don't guess, smoke Melba cigars. 22 26

Modoc Timber Land Sold to Pickering

ALTURAS, Cal., Nov. 24.—Deeds to the Pickering lumber company have been recorded here conveying the timber holdings known as the First National bank of Eugene, Ore., lands in Tp 43, R 5 Modoc county a little to the northwest of Lookout, the acreage totaling 1513.57 acres, and while the consideration was not stated in the deeds, revenue stamps to the amount of \$45 would imply a selling price of \$45,000 for the land, or nearly \$30 an acre.

The Southern Pacific has entered into an agreement with the lumber company for railroad construction. It is evident from the Pickering company, which last summer took over the holdings of Ticnesta company and Manistique company in Modoc and Siskiyou counties, intends to add to their holdings. The lands just purchased immediately adjoin the holdings purchased last spring and are just barely inside Modoc county from Siskiyou.

HERALD OFFICE NOW ON EIGHTH ST., NEAR MAIN

The Herald office has been moved from Fourth street to the new quarters on Eighth street between Main and Pine. All departments are now in the new place. The phone number has not been changed—it is still 88.

The swimming pool at the Hot Springs bath house is open to ladies only on Wednesday mornings from 8:30 to 11:30 o'clock. On Saturdays it is not open to the public until 11 o'clock. Childrens free hour has been discontinued on account of cold weather. 23-24

Remember I need the money. The Furnisher of Happy Homes. 8th

Best investment, means Melba cigars. 22-24

BIG EATERS GET KIDNEY TROUBLE

Take Salts at First Sign of Bladder Irritation or Back-ache

The American men and women must guard constantly against Kidney trouble, because we eat too much and all of our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders. Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.—Adv.

AN OLD RECIPE TO DARKEN HAIR

Sage Tea and Sulphur Turns Gray, Faded Hair Dark and Glossy

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old-time recipe improved by the addition of other ingredients, at very little cost. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.—Adv.

Don't cough

THE violent paroxysms of coughing soon eased by Dr. King's New Discovery. Fifty years a standard remedy for colds, Childrenlikeit. No harmful drugs, but just good medicine. At your druggists 60c and \$1.20 a bottle.

For colds and coughs Dr. King's New Discovery

If the Wood Dealer Sold Service

We do not sell current; we sell service. That sounds odd doesn't it? Well, suppose the wood dealer sold service instead of wood, he would tend to your furnace and your range, take away the ashes and clean the flues. You would buy so much heat. Now you buy so much light, although you pay according to the current you consume. But the service is performed for you by this company at the substations and power plants. That is what we want to give you—efficient service. It is the aim of this company to have none but satisfied customers. No matter what it is, if you have a grievance, or are dissatisfied about your bill or do not understand our rates, please come in and see us or write us about it. If you have any suggestions to make, we will gladly avail ourselves of them as our aim is constantly to improve our service to you as fast as the development of science and human ability permits.

HAVE YOUR THANKSGIVING DINNER AT THE CLUB CAFE

The place that is more than holding its own on a side street. Why? Because it serves you right.

A real old-fashioned Thanksgiving Dinner with all the trimmings, seasoned just right, and served piping hot.

Our Bill of Fare will be printed in English—no French names copied from a two-dollar cook book to confuse you and spoil your dinner.

Listen, Folks! There are two kinds of chestnuts—don't let anyone kid you. Our Turkeys, Geese and Chickens will be stuffed with dressing made from dry bread, minced fried onions, celery and maybe some oysters, all properly seasoned by one who knows how. There's the difference!

The Plum Pudding is made on the premises. We don't get it in tin cans from the store; and fruit cake you won't have room for when you get through with a real turkey dinner, that is as pleasing to the stomach as it is to the eye.

It is an old saying: "The proof of the pudding is in the eating." The wonderful business we have enjoyed on a side street plainly shows the pudding must be good here.
