OROVILLE C. OF C. RAISES BONUS FOR SAWMILL

OROVILLE, Cpl., Nov. 29.—The remainder of the sum of \$12,000, which the chamber of commerce has pledged for Hut-binson Lumber company for the purpose of purchasing a mill site for that company, will be collected immediately, according to an announcement made yesterday. Decision to cash collection of the sum was made following an announcement by Vice President Griffith of the company that construction work on the new mill would start March 1, 1921.

DORRIS POSTMASTER MAY BE AGAIN APPOINTED

WASHINGTON, D. C., Nov. 29.—William E. Fox, postmaster at Dorris, Siskiyou county, is being urged for reappointment by patrons of the office. It seems certain that he will be reappointed by President Wilson, but it is understood that no presidential appointments will be confirmed at the short session of congress. It is the declared intention of senate leaders to carry over all appointments pending or yet to be made by President Wilson in order that such vacancies may be filled by his successor, President Harding.

The annual intercollegiate wrestling championships will be held at Princeton next March.

If the Wood Dealer Sold Service

We do not sell current; we sell service. That sounds odd doesn't it?

Well, suppose the wood dealer sold service instead of wood, he would tend to your furnace and your range, take away the ashes and clean the flues. You would buy so much heat.

Now you buy so much light, although you pay according to the current you consume. But the service is performed for you by this company at the substations and power plants.

That is what we want to give you—efficient service. It is the aim of this company to have none but satisfied customers. No matter what it is, if you have a grievance, or are dissatisfied about your bill or do not understand our rates, please come in and see us or write us about it.

If you have any suggestions to make, we will gladly avail ourselves of them as our aim is constantly to improve our service to you as fast as the development of science and human ability permit.

SUFFERED SINCE HIS CHILDHOOD

Indigestion Made Life Miserable,
Gains Ten Pounds and Eats
Anything Now.

"I haven't felt so well in years as I do since I began taking Taniae, and although I have taken only four bottles I have gained ten pounds," said James Macey, 2617 East Howe street, Tacoma, Wash.

"I had suffered from stomach trouble ever since I was a boy, and during the last few years my condition had gradually grown worse. My appetite was very poor and I could not eat a thing without suffering afterward. My food would sour and ferment right after eating, gas would form and bloat me up until I could hardly get my breath and I would also have such awful pains I could hardly stand them. My head ached just about all the time and I often had such terrible dizzy spells I would have to grab hold of something to keep from falling! I suffered a great deal from colds, and was subject to severe coughing spells that were especially bad nights and mornings.

"I also had rheumatism in my hands and hips so bad I could hardly get around and do my work. My nerves were so badly upset I could get but little sleep and in the mornings it was all I could do to get out of bed. I lost much weight and became so badly run-down and weak, felt so tired and worn out all the time I just had to force myself to do my work.

"I heard so much about Taniae that I got some and it went right after my case. For the first time in years I have a splendid appetite, can eat anything I want and never have a particle of trouble. I never have a headache or become dizzy, the rheumatism has left me entirely and I can get around and do my work as I ever could.

"My nerves are in good condition I sleep well and always feel refreshed on getting up. The coughing spells have stopped and I just feel good all the time."

Taniae is sold in Klamath Falls by Star Drug Co., in Lorella by James Merc. Co., and in Merrill by Southern Oregon Drug Co.—Adv.

DRINK HOT WATER BEFORE BREAKFAST

Says You Really Feel Clean, Sweet
And Fresh Inside, and
Are Seldom Ill

If you are accustomed to wake up with coated tongue, foul breath or a dull headache; or if your meals sour and ferment, you have a real surprise awaiting you.

Tomorrow morning, immediately

upon arising, drink a glass of hot water with a teaspoonful of limestone phosphate in it. This is intended to first neutralize and then wash out of your stomach, liver kidneys and thirty feet of intestines all the indigestible waste, poisons, gas bile and toxins, thus cleansing, sweetening and purifying the entire alimentary canal.

Those subject to headaches, backaches, bilious attacks, constipation or stomach trouble, are urged to get a quarter pound of limestone phosphate from the drug store and begin enjoying the morning inside bath.

Just as hot water and soap cleanse, purify and freshen the skin, so hot water and a teaspoonful of limestone phosphate act on the stomach, liver, kidneys and bowels. Limestone phos-

phate is an inexpensive white powder and almost tasteless.—Adv.
