Where Presidents Come From

All but two American presidents have traced their paternal ancestry back to the British Isles. The exceptions were Van Buren and Roosevelt, Dutch.

The next president is Scotch-Dutch, his paternal family tree taking root in Scotland. Other Scotch presidents were Monroe, Grant and Hayes.

Scotch-Irish presidents were Jackson, Polk, Buchanan, Arthur, McKinley and Wilson.

Fifteen presidents, beginning with Washington and ending with Taft, have English paternal ancestry, and thus give to England a large lead in the race of furnishing presidential timber for the United States.

Springfield, Ill., claims to have 6000 women in business, professional, and industrial life.

At the Theaters

AT THE LIBERTY THEATRE
The versatility of Zasu Pitts, the whimsical little comedienne of the screen, is brought out in strong relief in "The Heart of Twenty," the Brentwood production, released by Robertson-Cole, which will open at the Liberty theatre Tuesday.

The story, as its name indicates, reveals the secret aspirations of a young girl on the threshold of womanhood, Miss Pitts, as Katie Abbott, whose natural longings to do the things most girls of her age indulge in are suppressed by a prim old maiden aunt, gives the most delightful characterization of her screen career.

PUEYRREDON IS FIRM; MISSION TO QUIT GENEVA

(By Associated Press)
GENEVA, Dec. 6.—Argentina's amendment to the covenant of the league of nations, rejection of which caused the Armenian delegation to leave the assembly, has been referred to the assembly for consideration at its next meeting. Honorio Pueyrredon, head of the Argentine mission, told The Associated Press that his delegation would leave for Paris Wednesday or Thursday.

The Argentine delegation's withdrawal from the league assembly was the first reef struck during the three weeks' deliberation which had been going on with resulting smoothness until it got into a fog in the discussion on amendments.

Independence shown by Honorio Pueyrredon in voting against postponement of consideration of the amendments and his breaking of the assembly unanimity, with Senor Velasquez of Paraguay, supporting him, were regarded as ominous of a stormy session, but the Argentine delegation's extreme action in withdrawing was unexpected.

There are two currents of opinion. One is that the directing minds have too much neglected the feelings of the smaller powers and have erred in opposing discussion of amendments; the other is that the Argentine delegation has been too precipitate in its action.

There is no indication that the other South American delegation will follow the example of Argentina; most of them favor Pueyrredon's amendments but will not go to the extent of withdrawing if they are not taken into consideration.

Catholic Bazaar Opening Date Is Changed to Dec. 15

The big Catholic Bazaar that was to have been held this week has been postponed for one week, due to the unfinished condition of the Scandinavian hall, where it is to be held. Contractor Thorsen has assured Mrs. Callahan and her co-workers that everything will be in readiness for the big event one week later—December 15, 16, 17 and 18.

The change of date was a great disappointment to the ladies, but they are going to take advantage of the opportunity to add to the great variety of articles to be placed on sale on this occasion. Preparations for the bazaar have been underway for months and it is to be bigger and better than any of its predecessors.

Each evening a special program will be arranged, so that there will not be a dull moment. Saturday night the affair will close with special features that will be in the nature of the frolics and fun of the Mardi Gras.

STAR THEATRE WILL OPEN BRANCH HOUSE AT MERRILL

F. L. Terwilliger went to Merrill this morning to make final arrangements for the opening of a branch of the Star theatre in the old Martin store there. The building must be remodelled and it will be two weeks before it is ready for the theatre opening.

The fire at Merrill last summer destroyed the theatre building occupied by the Star and the town has been without "movie" entertainment since.
