

## Pleasure For Many Years---

Many folks purchase numerous Gifts that have no lasting or educational value. Thus much money is wasted Christmas eve we firmly believe that there is No Gift so useful and beneficial to ALL members of the family as a good Victrola, Graphonola or Sonora Phonograph.

Music at home is a necessity, so why not let us deliver your Victrola along with the others for Christmas Eve?

We are selling one to four every day with record of eight for a single day.

Terms are Five Dollars a month and up and the leading Standard Makes will be found side by side naturally only in the leading Music Store.

Best to get busy now before your favorite is taken by some one else.
