

"CAN'T MAKE SON TALK!" DEFIES MOTHER

KANSAS CITY, Mo., Dec. 15—Failing in their efforts to get information from Denzel Chester, accused of murdering Florence Barton, young Kansas City society girl, authorities have resorted to the laughing gas method of making him talk. But Mrs. Lillian Chester, "Dennis's" mother, came from Los Angeles and is opposing the attempts of the police to make her son talk. Above are shown Mrs. Chester (right), "Dennis" Chester and Florence Barton (left.)

Catholic Bazaar Will Open New Hall Tonight

The Scandinavian hall, just completed, will be fittingly opened this evening by the Catholic ladies' bazaar, and the ladies in charge of the bazaar say that everything is in ship shape for one of the most auspicious openings in the history of the city.

A dance will feature the evening, and several prize dances are on the program. The prizes will not necessarily be given to the best dancers, and the ladies ask you to come and see an innovation in the awarding of prizes of this kind.

One of the attractions at the bazaar will be a hair dresser and manicurist, direct from San Francisco, who promises to bedeck milady in the most modish fashion, and also to instruct and dress said milady for special occasions. There is some pleasant mystery connected with this artiste, and the ladies are asked to visit her between 1 and 6 o'clock on Thursday, Friday, and Saturday afternoon. Ladies can phone 142 for appointments.

The sale of goods will begin tomorrow afternoon at 2 o'clock, and amusements will also be in order at that time.

Further announcements will be made tomorrow.

MYSTERIOUS PAINS AND ACHES

Make Life Hard to Bear For Many Klamath Falls Women.

Too many women mistake their pains and aches for troubles peculiar to the sex. More often disordered kidneys are causing the aching back, dizzy spells, headaches and irregular urination. Kidney weakness becomes dangerous if neglected. Use a time-tried kidney remedy—Doan's Kidney Pills. Hosts of people testify to their merit. Read a Klamath Falls case: Mrs. Lee Cornish, 1429 Oregon Ave., says: "My kidneys were out of order about a year ago and I suffered a lot with dull, nagging backaches. My work tired me and I had frequent dizzy headaches. My kidneys didn't act right and I knew they were the cause of the trouble. I read of Doan's Kidney Pills and used them as directed. Two boxes relieved me of the aches and pains and put my kidneys in good order." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Cornish had. Rabbit War Gets Results, Lorella

A phone message from farmers at Lorella to E. H. Thomas county agent this morning, brought the news that the rabbit war is on full blast in that region and the slaughtered rodents number from 600 to 1000 each night.

The farmers are working in co-operation with the farm bureau and

the U. S. biological survey. Money enough has been raised among the ranchers to establish a string of poison pens and to maintain a man in charge of them. They feel, Mr. Thomas said, that their success is fully repaying them for any expense or trouble they have incurred.
