Two Paris Models

Here are two models, Paris inspired. One is fashioned of a silky, fur-like cloth and falls over to one side in rabbit ears. The other is severe looking, but smart. It is of black satin, or velvet, and it fits over the head like a helmet. It has two rows of feathers arranged like those on an Indian's war bonnet.

EAT LESS MEAT IF BACK HURTS

Take a Glass of Salts to Flush Kidneys If Bladder Bothers You

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.—Adv.

HAVE DARK HAIR AND LOOK YOUNG

Nobody Can Tell When You Darken Gray, Faded Hair With Sage Tea.

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied, with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, at very little cost. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through the hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color, and looks glossy, soft and beautiful.—Adv.

An early revival of boxing is looked for in Montana as a result of the adoption of the boxing bill at the November election.
