**KLAMATH COUNTY LAND—CHEAP.** I have been authorized to sell about 3000 acres of land in Klamath county belonging to an eastern client for any reasonable amount. These lands are scattered all over Klamath county and many of the tracts are favorably located under present oil indications. The lands are well worth the price asked for their grazing value alone, and some tracts have timber. None of these lands are under oil lease. Rather than invest in oil stock, why don't you buy some of this land out-right at almost government prices? I shall sell these lands for the best price I can get but they must be sold. Act at once if you want to invest your money safely with a free chance to fully profit by an unexpected value which may attach to these lands.

**MICKIE SAYS**  
 (VOICE) YES, I'VE SOLD OUT, BUT DON'T SAY ANYTHING ABOUT IT FOR TWO OR THREE WEEKS

**EASY TO DARKEN YOUR GRAY HAIR**  
 You Can Bring Back Color and Lustre With Sage Tea and Sulphur  
 When you darken your hair with Sage Tea and Sulphur, no one can tell because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. At little cost, you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients, called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and after another application or two your hair becomes beautifully darkened, glossy and luxuriant.  
 Gray, faded hair, though, no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur Compound, and look years younger.—Adv.
