ful results, everything considered. The two days on which it has been held were surrounded by conditions that were as unfavorable as it is possible to surround anything. Yet they tell us that they were surprised with the business done. So we decided to let it in for another try. We expect this one to be the biggest yet. The business men are offering real, honest-to-goodness bargains. Come out and get them. Help cut down your cost of living. Save every cent you can and put it in the bank for a rainy day.

And then, when you go into a store to buy an article advertised in the Bargain Day page, don't wear blinders and colored glasses. Just look around the store. There will be other bargains there. Take advantage of the chance to save more money. The things offered in the advertising below are just leaders. They are offered to get you to visit the store, and see the other articles offered for sale at regular and reduced prices.

Now let us put this Wednesday over with a bang. Make it the biggest and best of the three—so big, in fact, that it will remove the last lingering doubt about its practicability.

TAFFETA WRAP

Just a "little wrap" is this one of taffeta trimmed with quillings of velvet ribbon, but it is the very tone of charm. It is in one of those irresistible two-tone taffetas, orchid and red, and each prow of quillings is put on with a fine taffeta-covered cord.
