BURNETT SAYS HE COULDN'T HOLD JOB

FORCED TO GIVE UP MANY PLACES BECAUSE OF RHEUMATISM. WELL AND STRONG NOW

"I had to give up several different positions on account of rheumatism but since taking Tanlac I never have an ache or pain in my body and am working hard every day," said E. J. Burnett, 4914 Forty-fifth avenue, Southeast, Portland, Ore.

"For ten years now rheumatism and stomach trouble had been pulling me down and I had gotten to where I didn't expect to see another well day. My neck hurt me so bad that sometimes I couldn't turn my head without moving my whole body, and I had severe pains all through my shoulders. The muscles in my legs hurt so bad I was often unable to walk, and I have had to give up several good jobs just on this account. Often I couldn't get up or down and was in such pain I couldn't

even turn over in bed. I lost my appetite and my stomach got so badly out of order that the little I did force down disagreed with me. Nothing did me any good other than a little temporary relief, and I realized that it wouldn't be long before I would have to give up entirely.

"One day a railroad man from Lewiston, Idaho, advised me to try Tanlac and I have thanked him many a time since for putting me on to such a fine medicine. Why, it went straight after my troubles and don't believe there is a trace of rheumatism left in my body. I never feel a sign of it and am as strong and active as I ever was. I can hardly get enough to eat and everything agrees with me perfectly. I am sleeping fine and can do as big a day's work as I ever could."

Tanlac is sold in Klamath Falls by Star Drug Co., in Lorella by James Merc. Co., and in Merrill by Southern Oregon Drug Co.—Adv.

that the "old dog seemed to be as good as ever."

Mr. and Mrs. Gordon Quimby are the proud parents of a baby daughter, who arrived Sunday night. The young lady weighed nine pounds at birth. Both she and her mother are doing nicely.

Richard K. Hannon and Joe Zumpf were up from Malin yesterday, the former to visit his parents in the Enterprise district, the latter to attend last night's legion meeting.

Among the visitors from nearby towns who were in town yesterday and today are Mr. and Mrs. A. T. Hanson of Pine Ridge, Mr. and Mrs. A. E. Gale of Bonanza, Mr. and Mrs. C. V. Raple of Pine Ridge, and Mr. and Mrs. N. Burgess of Chiloquin.

Charley Hogue, the Sacramento salesman, who generally makes his

rounds accompanied by his wife, is registered at the White Pelican. Charlie's wife is not with him this time, but friends report that his conduct, so far, has been exemplary, despite the absence of her usual supervision.

T. J. (Billie) Burke, representing the R. J. Heinz company, and W. J. Dunne, of Lash's Products company, are here meeting their customers, and are fairly effervescent with optimism over the prospects for good business. Both say that business is good, even now, but of course some allowance must be made for the well-known ability of each as a salesman. This city, they say, is one of the best in their territories.

Wants to Locate All Ex-Service Men Needing Treatment

The director of the bureau of war risk insurance is anxious to locate at the very earliest moment every ex-service man and woman who under the war risk insurance act is entitled to medical, surgical or hospital care, to get them under treatment, and to have started to them payments of compensation which may be due.

Every ex-service man or woman who was in the military or naval service of the United States during the late war and who on account of such services is not physically fit to engage in a gainful occupation, should at once make application for compensation or medical treatment. This is done by executing bureau of war risk insurance forms 526, 539 and

545. These forms can be obtained either by writing or applying to any chapter of the American Red Cross or American Legion post, who will be glad to assist in the execution of these forms, or by writing or applying direct to the bureau of war risk insurance representative, 5115 Arcade building, Seattle, Washington, where immediate attention will be given all communications pertaining to bureau of war risk insurance matters.

If aggravated cases of delay or inability to obtain satisfactory compensation or other proper adjustment with the bureau of war risk insurance come to light, the details should be sent to bureau of war risk insurance representative.

Everybody Is or Should Be Talking of Building, Now—

"Let HER dream of a new Home come true this year! Start planning now, so that as soon as the weather permits you can get the work under way, and have the new home completed in time to plant the flowers and garden."

The days of "high cost of lumber" are past. Recent price readjustments, covering a number of months, have brought lumber prices back "to earth." In fact, Lumber was the first of all great living commodities to come back to anywhere near a normal basis.

EASY TO BUILD—Made So by "Big Basin" Service

We have established a reputation in this community as an authority on lumber and its products, and how to use them.

Years of experience in the building and material business, and a special study of the different kinds of wood, enable us to give you practical advice as to the varieties and grades of material best suited for each particular purpose.

Our experience saves you money and mistakes. We take a personal interest in your building problems, helping you plan the arrangements and construction, making estimates, securing competent workmen, and helping you in every way we can.

That this service is appreciated is evidenced by our growing list of Satisfied Customers, who insist on telling their neighbors and friends about us, intimating that the "BIG BASIN" is a good place to go when buying lumber.
