This is one of the inducements with which the unwary investors are roped into the "get-rich-quick" promoter's scheme. The "inside" usually leaves them on the OUTSIDE ultimately, however.

MINING ENGINEER SAYS HE SUFFERED 30 YEARS

WELL-KNOWN OREGONIAN DECLARES TANLAC HAS GIVEN HIM A NEW LEASE ON LIFE

"For the first time in 30 years I am able to eat whatever I want without suffering afterwards," said F. C. Rogers, a well-known mining engineer living at 1075 East Nineteenth street North, Portland, Ore.

"I now know what it is to enjoy fine health, for Tanlac has built me up until I have gained 15 pounds and today I am feeling better than I have in 25 years. In 1890 my stomach went back on me and in spite of everything I went down hill until I was a nervous and physical wreck. Everything I ate soured on my stomach and I would have spells of indigestion.

"For days at a time I couldn't retain a thing I ate and I had a burning like a coal of fire in my throat and chest. These spells were so bad sometimes I could neither lie down nor sit up with any comfort.

"I had pains all over my body. I suffered from nausea and gas and bloated up so tight I could hardly breathe. My nerves broke down and I seemed to be playing out altogether.

"Nothing in the way of medicine did me any good until I got hold of Tanlac and now I can hardly remember the day when I felt better. I eat like a bear and never have a sign of indigestion afterwards. The pains and gas have all disappeared and

my breathing is free and regular. My nerves are as strong as iron and I sleep as sound as I ever did in my life. I am as sound as a dollar, never miss a day from my work and I feel that I have a new lease on life."

Tanlac is sold in Klamath Falls by Star Drug Co., in Lorella by James Merc. Co., and in Merrill by Southern Oregon Drug Co.—Adv.

Chicago Yearns for a Greenwich Village

Chicago wants a Greenwich Village, like New York's, claiming it educates more artists than any other city. To interest Chicagoans in financing an art community the artists recently gave a great Artists' Frolic. The hit of the frolic was a "Lose-a-Leaf" girl. Garbed in leaves and bearing silver shears, she danced among the guests, permitting each to snip a leaf from her costume. Three of the participants of the frolic are shown above. Left to right: Nancy Cox McCormack, holding the burning star, symbol of the artists' aspirations; Aida Bodinus, one of the dancers, and Margie Wilson, the "Lose-a-Leaf" girl.

COMB SAGE TEA INTO GRAY HAIR

Darkens Beautifully and Restores Its Natural Color and Lustre At Once

Common garden sage, brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Mixing the Sage tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use preparation, improved by the addition of other ingredients, a large bottle, at little cost, at drug stores, known as 'Wyeth's Sage and Sulphur Compound,' thus avoiding a lot of fuss.

While gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant, and you appear years younger.—Adv.

HEAD STUFFED FROM CATARRH OR A COLD

Instant relief—no waiting. Your clogged nostrils open right up; the air passages of your head clear and you can breathe freely. No more hawking, snuffling, blowing, headache, dryness. No struggling for breath at night; your cold or catarrh disappears.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly. It's just fine. Don't stay stuffed-up with a cold or nasty catarrh.—Adv.
