MEDFORD KEEPS UP INTEREST IN BOXING.

Freddy Anderson who will probably be brought here for a bout with Jess Ingram in the main event of the February smoker of the Medford boxing commission has been mentioned as a possible opponent for Joe Benjamin before the Portland boxing commission, at an early date, says the Medford Mail Tribune. Freddy is a popular body in this city, and a meeting with Ingram who is gaining in prestige daily would be a first-class attraction. The fans would also like to see Johnny Carlson hooked up with somebody his own size, with some experience to get a line on just how good he is. A number of Medford fans are planning on going to Gold Hill, Friday, Jan. 28, to see the Ingram and Campbell match. There will be two other bouts, and a wrestling match, under the auspices of the Gold Hill boxing commission.

MRS. IDA HAMBURGH, of Brattleboro, Vt., who says she never dreamed there was anything on earth that would do what Tanlac has done for her. Gains twenty-seven pounds.

"I think it is perfectly marvelous the way Tanlac has built me up. Before I began taking it I was in wretched health and only weighed 117 pounds. I now weigh 144 pounds and my health is splendid. I never dreamed that there was a medicine on earth that would cause me to regain my former weight and health in so short a time, but Tanlac did it and I simply can not tell you how grateful I am to this wonderful medicine.

I suffered for two years from indigestion and dyspepsia and was in a very badly run-down condition. I had a tired, worn-out feeling nearly all of the time and rarely had any appetite.

At times I would have indigestion so badly that I could hardly breathe. I also suffered from palpitation of the heart, severe headaches and pains in my back, but thanks to Tanlac, all of these terrible symptoms have left me and I now feel as well as I ever felt in my life.

Another thing; I sleep just splendidly at night now and never suffer from nervousness like I used to. Tanlac is certainly a wonderful medicine and I am only too delighted to recommend it to my friends." The above statement was made recently by Mrs. Ida Hamburg, of 316 S. Main street, Brattleboro, Vermont.

Tanlac is sold in Klamath Falls by Star Drug Co., in Lorella by James Merc. Co. and in Merrill by Southern Oregon Drug Co.—Adv.

Drinking a Glass of Hot Water is a Splendid Habit

Cleanse and sweeten the system each morning and wash away poisonous, stagnant matter.

Those of us who are accustomed to feel dull and heavy when we arise; splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, lame back, can, instead, both look and feel as fresh as a daisy always by washing the poisons and toxins from the body with phosphated hot water each morning.

We should drink, before breakfast, a glass of hot water with a teaspoonful of limestone phosphate in it, to flush from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary tract before eating more food.

The action of limestone phosphate and hot water on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a fine appetite for breakfast. A quarter pound of limestone phosphate costs very little at the drug store, but is enough to make anyone who is bothered with biliousness, constipation, stomach trouble or rheumatism an enthusiast on internal sanitation.
