Many people joined the faith, an estimate of 5,000 being considered very conservative. These converts were recruited from all of the Indian tribes of the Northwest.

According to the records, influen-

sa claimed about 20 of the young people of the faith during the past year.

MACK PERFORMANCE COUNTS

WHY WE SELL MACK TRUCKS

Because Performance records show the Mack to be the best truck on the market.

Because of what owners prove their Mack trucks are capable of doing.

Because of the almost a quarter of century of experience in building motor trucks exclusively that is back of the Mack manufacturing record.

Because we are an integral part in an organization that distributes Mack trucks exclusively in all that part of the United States west of the eastern borders of Montana, Wyoming, Colorado and New Mexico.

Because of the owners' service policy that governs the sale of every Mack truck.

Because of the financial strength of the Mack truck manufacturing and sales organizations.

Because the Mack makes money for its owners.

FIERY, ITCHY SKIN QUICKLY SOOTHED WITH SULPHUR

Mentho-Sulphur, a pleasant cream, will soothe and heal skin that is irritated or broken out with eczema; that is covered with ugly rash or pimples, or is rough or dry. Nothing soothes fiery skin eruptions so quickly, says a noted skin specialist.

The moment this sulphur preparation is applied the itching stops and after two or three applications, the eczema is gone and the skin is delightfully clear and smooth. Sulphur is so precious as a skin remedy because it destroys the parasites that cause the burning, itching or disfigurement. Mentho-Sulphur always heals eczema right up.

A small jar of Mentho-Sulphur may be had at any good drug store.—adv.

"I wish to express my full appreciation and genuine gratitude for the wonderful Knabe Concert Grands which you have supplied me on my numerous tours.
