The Office Cat

BY JUNIUS

The Lawyer.

He's a man of sorrow,
And acquainted with grief;
Among all the sinners
He's considered the chief.

His friends all admire him
When he conquers for them;
When he chances to lose
They are quick to condemn.

They say, "Ah! he's bought,"
If he loses a case.
They say, "Ah! he's crooked,"
If he wins in the race.

If he charges big fees
They say, "He's a grafter."
If he charges small fees,
"He's not worth going after."

If he joins the church,
"It's for an effect."
If he don't join the church,
"He's as wicked as heck."

But here in one fact
We all will admit,
When we get into trouble,
Our lawyer is "It."

Absence makes the heart grow fonder—
possibly that's why a nearbald

remaining hairs than he did when he
had plenty.

Criticism doesn't hurt anybody.
Nor ridicule, for that matter. What
has been more abused than the fliv-
ver?—and yet everybody knows that
it keeps going.

Kinda seems like we pulled that
once before.

But in order to play safe, we'll
risk it again.

**GLASS OF SALTS
CLEANS KIDNEYS**

If Your Back Hurts or Bladder
Bothers You, Drink Lots of
Water.

When your kidneys hurt and your
back feels sore, don't get scared and
proceed to load your stomach with a
lot of drugs that excite the kidneys
and irritate the entire urinary tract.
Keep your kidneys clean like you
keep your bowels clean, by flushing
them with a mild, harmless salts
which removes the body's urinous
waste and stimulates them to their
normal activity. The function of the
kidneys is to filter the blood. In 24
hours they strain from it 500 grains
of acid and waste, so we can read-
ily understand the vital importance
of keeping the kidneys active.

Drink lots of water—you can't
drink too much; also get from any
pharmacist about four ounces of Jad
Salts; take a tablespoonful in a glass
of water before breakfast each morn-
ing for a few days and your kidneys
will act fine. This famous salts is
made from the acid of grapes and
lemon juice, combined with lithia,
and has been used for generations
to clean and stimulate colged kid-
neys; also to neutralize the acids in
urine so it no longer is a source of
irritation, thus ending bladder weak-
ness.

Jad Salts is inexpensive; cannot in-
jure; makes a delightful effervescent
lithia-water drink which everyone
should take now and then to keep
their kidneys clean and active. Try
this, also keep up the water drinking,
and no doubt you will wonder what
became of your kidney trouble and
backache.—Adv.

**AN OLD RECIPE
TO DARKEN HAIR**

Sage Tea and Sulphur Turn
Grey, Faded Hair Dark
and Glossy

Almost everyone knows that Sage
Tea and Sulphur, properly com-
pounded, brings back the natural col-
or and lustre to the hair when faded,
streaked or gray. Years ago the only
way to get this mixture was to

make it at home, which is messy
and troublesome.

Nowadays we simply ask at any
drug store for "Wyeth's Sage and
Sulphur Compound." You will get
a large bottle of this old-time recipe
improved by the addition of other
ingredients, at very little cost. Ev-
erybody uses this preparation now,
because no one can possibly tell that
you darkened your hair, as it does
it so naturally and evenly. You
dampen a sponge or soft brush with
it and draw this through your hair,
taking one small strand at a time;
by morning the gray hair disappears,
and after another application or two,
your hair becomes beautifully
dark, thick and glossy and you look
years younger.—Adv.

Regulate the Price
of Lumber

Right now the demand
is far in excess of the
supply and is sure to be
more noticeable next
spring.

4,000,000 Homes are Needed in the United

There will be built and this means a great demand for lumber
and naturally the price will increase.

It is only reasonable to expect lumber prices to advance.
