Where Harding Is Spending Vacation

These scenes where President-elect Harding is spending his pre-inauguration vacation. On the left is the entrance to the Ponce de Leon hotel, at St. Augustine, Fla. The "Harding wing" of the hotel is shown on the right, the arrow wing indicating Harding's suite with balcony overlooking a beautiful garden. Below is the luxurious yacht Victoria, owned by Senator Frelinghuysen and named for the senator's eldest daughter. It is 88 feet long and has two 50 h. p. engines and a wireless tower. Harding is expected to cruise until early February and then return to the Ponce de Leon for most of that month.

QUIT MEAT WHEN KIDNEYS BOTHER **SAGE TEA TURNS GRAY HAIR DARK**

Take a Glass of Salts If Your Back Hurts or Bladder Troubles You

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they become over-worked with the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular or passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.—Adv.

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turn gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready to use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's Sage and Sulphur Compound" now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous.—Adv.

Head Stuffed By Catarrh or Cold? Use Healing Cream

Instant relief—no waiting. Your clogged nostrils open right up; the air passages of your head clear and you can breathe freely. No more hawking, snuffling, blowing, headache, dryness. No struggling for breath at night; your cold or catarrh disappears.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly.

It's just fine. Don't stay stuffed-up with a cold or nasty catarrh.—Adv.

CANADIAN FARMERS PROPOSE WHEAT POOL.

WINNIPEG, Man., Feb. 5.—One of the most important questions ever considered by the United Farmers of Manitoba, that of the proposed co-operative wheat pool, will be brought up for discussion at the annual provincial convention of the association in Brandon, January 12, 13, and 14.

Other matters to be brought up for discussion include that of the association's relations to provincial politics. The United Farmers' organization of Manitoba has a membership of practically 15,000 and it is expected the convention will be the largest ever held.

If the Wood Dealer Sold Service

We do not sell current; we sell service. That sounds odd doesn't it?
Well, suppose the wood dealer sold service instead of wood, he would tend to your furnace and your range, take away the ashes and clean the flues. You would buy so much heat.
Now you buy so much light, although you pay according to the current you consume. But the service is performed for you by this company at the substations and power plants.
That is what we want to give you—efficient service. It is the aim of this company to have none but satisfied customers. No matter what it is, if you have a grievance, or are dissatisfied about your bill or do not understand our rates, please come in and see us or write us about it.
If you have any suggestions to make, we will gladly avail ourselves of them as our aim is constantly to improve our service to you as fast as the development of science and human ability permit.
