RETIRED FIRE CHIEF.**

Fire Chief Delaney, who will be succeeded by Keith Ambrose, former chief, February 16, said today that he has a good position in view and while sorry that he is leaving the department, felt certain that he was leaving it in capable hands.

"I have found the work congenial," said the chief, "and I want to express my appreciation of the co-operation I have received from the mayor and council, the members of the fire department, the press and citizens of the city."

ARE YOU RHEUMATIC?

Many Pains That Pass for Rheumatism Are Really Due to Weak Kidneys

Is it rheumatism? Not every pain is. Weak kidneys let uric acid collect. Uric acid causes many queer pains. In the thigh it's sciatica; in the back, lumbago; in the nerves, neuritis. Gout, gravel, dropsy, are uric troubles.

When you suspect the kidneys use Doan's Kidney Pills—The home-recommended remedy. Klamath Falls testimony is the best proof:

Read this Klamath Falls woman's story:
Mrs. A. S. Bennett, 223 Upham St., says: "I can recommend Doan's Kidney Pills from experience for they have helped me a lot. My kidneys were weak and out of order and I suffered with backaches and pains just over my kidneys. In bad weather rheumatic pains made the trouble worse and my kidneys acted irregularly. Doan's Kidney Pills soon relieved the aches and pains and put my kidneys in good order."
Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Bennett had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

**EASY TO DARKEN
YOUR GRAY HAIR**

You Can Bring Back Color and Luster With Sage Tea and Sulphur

When you darken your hair with Sage Tea and Sulphur, no one can tell because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. At little cost, you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients, called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and after another application or two your hair becomes beautifully darkened, glossy and luxuriant.

Gray, faded hair, though, no disguise, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur Compound, and look years younger.—Adv.

Safe Enough

The Washington Post felicitates the national capital city because something less than 2 per cent of its total population is unemployed. But is that not rather due to the fact that such a large proportion of the population consists of democratic pets who are on the federal payroll at taxpayers' expense?

**If the Wood Dealer
Sold Service**

We do not sell current; we sell service. That sounds odd doesn't it?

Well, suppose the wood dealer sold service instead of wood, he would tend to your furnace and your range, take away the ashes and clean the flues. You would buy so much heat.

Now you buy so much light, although you pay according to the current you consume. But the service is performed for you by this company at the substations and power plants.

That is what we want to give you—efficient service. It is the aim of this company to have none but satisfied customers. No matter what it is, if you have a grievance, or are dissatisfied about your bill or do not understand our rates, please come in and see us or write us about it.

If you have any suggestions to make, we will gladly avail ourselves of them as our aim is constantly to improve our service to you as fast as the development of science and human ability permit.

Supply and Demand
Regulate the Price
of Lumber

Right now the demand is far in excess of the supply and is sure to be more noticeable next spring.

4,000,000 Homes are Needed in the United States

These will be built and this means a great demand for lumber and naturally the price will increase.

It is only reasonable to expect lumber prices to advance.

Decide to own a home. Place your contract while prices are at rock-bottom.
