OLD CHURCH BURNED EDMONTON, Alta, Feb. 8.—Fire was responsible for the destruction of the second oldest ecclesiastical institution in this part of the province when the 40-year-old Catholic church at St. Albert was destroyed.

The church, which was the cathedral for many years, was one of the historical landmarks of the Edmonton district. It was built by the priests and reverent brothers entirely. Some fine paintings and carvings were in the church when it was destroyed. These works of art were all done by the Christian brothers, who, coming from France, Belgium, Brittany and other European countries, were master craftsmen.

SULPHUR CLEARS A PIMPLY SKIN

Apply Sulphur as Told When Your Skin Breaks Out

Any breaking out of the skin on face, neck, arms or body is overcome quickest by applying Mentho-Sulphur. The pimples seem to dry right up and go away, declares a noted skin specialist.

Nothing has even been found to take the place of sulphur as a pimple remover. It is harmless and inexpensive. Just ask any druggist for a small jar of Mentho-Sulphur and use it like cold cream.—Adv.
