**NOTICE INVITING PROPOSALS TO PURCHASE SEWER BONDS**  
Sealed proposals will be received by the Common Council of the city of Klamath Falls, Oregon, until Monday, the 14th day of March, A. D. 1921 at the hour of 8 o'clock P. M. of said day, at the city hall in said city at which time and place proposals to purchase will be opened and considered, for the purchase of \$50,735.00, city of Klamath Falls, general obligation bonds, payable 20 years from date of issue, bearing a rate of interest not exceeding six per cent per annum; interest payable semi-annually; principal and interest payable at Oregon Fiscal Agency in the city of New York, State of New York, or at the office of the treasurer of said city as determined by mutual agreement of purchaser and council. These bonds are to be issued in denominations of one thousand dollars, (\$1000.00) each, and to be numbered from one to fifty-one inclusive.

Said bonds are to be issued in pursuance of Ordinance No. 498 of said city; and are to be issued for the purpose of installing a sewer system in the territory known as Mills Addition, in accordance with the plans, specifications and estimates of the city engineer. Each proposal to purchase said bonds must be accompanied by a check for 5% of the amount of the proposal certified by some responsible bank and payable to said city. Proposals must be sealed and endorsed: "Proposals to purchase Mills Addition sewer bonds."

Said bonds are to be sold for cash at date of delivery, and for a price not less than par.  
The right to reject any and all proposals, is hereby reserved.  
By order of the Common Council,  
A. L. LEAVITT,  
Police Judge of the city of Klamath Falls, Oregon.  
Feb. 10—M-14

**A SPLENDID POLICY.**  
If you were offered a life insurance policy that did not absorb any part of your premium, in a company that was safe and sound, it is not likely that you would refuse it. In fact the agent offering such a policy would be swamped with business. Well, that is practically what W. A. Bullock, of this city is doing. He is selling a policy in the Occidental Life Insurance Co. of Los Angeles, Calif., that does this very thing. Here is how it is done:  
He will write you a policy on the 20 year endowment plan guaranteeing you that in the event of death to return all deposits made by you in addition to the full face of your policy.  
Should you become totally disabled from sickness or accident, the company have made special provision whereby you will have no further payments to make and will pay \$10 per month on each thousand dollars of insurance you carry which is not deducted from your policy at death. Besides, your policy matures the same as though you had made the payments yourself.  
This is one of the best policies ever offered by any legal reserve company and has other special features just as remarkable as those outlined above. Before you buy that insurance you are thinking about, if you will call Mr. Bullock, 43-W or drop a card to 1405 Oregon Ave. He will be mighty glad to tell you all about it.—Adv.

**HILDEBRAND FOLK RAISED THE MONEY FOR CHILDREN**  
Because Jesse N. Drew's postoffice is Dairy, the treasurer of the European Relief committee gave credit to Dairy citizens for \$147 turned in to the fund by Mr. Drew recently, but Mr. Drew states that the money was collected among the residents of the Hildebrand section, and wishes them to have credit for their generosity.

**MINT GROWERS ORGANIZED**  
The latest thing in farmers' societies is the Oregon Mint Growers Cooperative association, recently organized by the mint growers of the Willamette valley. The present headquarters of the organization, which represents a membership of about half a hundred, is at Corvallis. The growers announce that they intend to establish a refinery for the purpose of handling the 1921 crop of oil.

Cable dispatches carry the information that a large British industrial commission is visiting Brazil for the purpose of attempting to make arrangements to supply the British market with Brazilian cotton.

**NOTICE INVITING BIDS TO DO THE CITY PRINTING**

**HAS THEORY WHY MOON SHINE REPLACED SUNSHINE**  
Jack Valmore, the blackfaced Billy Sunday, will tell the audience at the Mondale tonight why Bille Sunday, the evangelist, drove whisky and sunshine out of home and sent moonshine in to take their place. This popular impersonator and imitator has been putting this act across in great shape for three or four years, and apparently it is one of those acts that never grow old. It's a rib-tickling act, and with McCormack and Sis, Valmore's partners in fun, on the bill also, the show should attract a crowd as big as the one that was in the theatre last night, when it was loaded to the guards. The usual good pictures will be shown but the public should remember that McCormack and Sis, and Valmore, will appear here for the last time tonight. It's a positive crime to miss a show like this.

The railways of the nation handled more coal in 1920 than in any year except 1918, when war demands called for an exceedingly large part of the country's supply.

**THE STAR**  
For all we know you may be an expert in the matter of pickle making or selling, but even if this be true we venture to say that from the standpoint of rollicking fun the famous humorist George Ade can give you a good many new pointers about the pickle industry in his newest comedy, "Just Out of College" which will be shown at the Star theatre tonight.  
Jack Pickford is the man who's just out of college and the way he makes a fortune and beats his rival in a love match by the aid of pickles makes one of the cleverest and funniest comedies we have shown in a long while. We suggest that you bring the family when you come because it's a picture for everybody.  
On the same bill you'll have a chance to see George Bunny, son of the late famous John Bunny, who was the screen's favorite a few years ago.  
Young Bunny is trying to make a similar record, for himself and will be at the Star tonight in his first comedy.
