

OREGON CITY MAN GAVE UP

JOHNSON'S HEALTH WAS SO BAD HE COULDN'T WORK—TANLAC PUT HIM BACK ON HIS FEET AND HE IS READY NOW TO GO BACK TO HIS JOB.

"My health got so bad I had to give up my trade, but since taking Tanlac I have gained 12 pounds in weight and have not felt better in years," said Samuel H. Johnson, a well-known painter living at Oregon City.

"For the past seven years my stomach and kidneys were all out of order and often I was so bad off I had to stay in bed three and four days at a time. My appetite was about gone and sometimes I went for several days without touching a bite. My stomach was so upset that often I wasn't able to retain even water or milk, much less anything solid. I would bloat up with gas and my heart would palpitate so terribly I became alarmed for fear I had heart trouble.

"Every few days I had awful sick headaches and most of the time there was a mean taste in my mouth. My kidneys worried me constantly and I had a severe pain in my back that kept me awake many a night. My complexion turned as yellow as a pumpkin and finally I got so bad off I couldn't do any hard work and had to give up my trade as a painter.

"That was the condition I was in at the time I got hold of Tanlac. My stomach feels like new and I have the finest kind of appetite, and it makes no difference what I eat. I can digest it without any trouble at all. My kidneys don't bother me anymore and the pain has left my back entirely. Those sick headaches have been broken up altogether, I now have a good, healthy color and am 12 pounds heavier. My health is better than it has been in many years and I am feeling so fine I am planning to go back to work."

SALTS FINE FOR ACHING KIDNEYS

We Eat too Much Meat Which Clogs Kidneys, Then the Back Hurts

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates thus ending bladder disorders.

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

Then and Now (Hollister Free Lance)

The best heard yet on the attitude towards the ex-service man was said by State Adjutant Bebergall, of the American Legion, speaking here a week ago. He said: "When the prodigal son returned they killed the fatted calf; when the doughboy and gop returned they shot the bull!"

A few weeks more until the feams begin to go south.

Wife—I've been insulted. I was singing awhile ago and a slipper was thrown through the window?

ITCHING ECZEMA DRIED RIGHT UP WITH SULPHUR

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying a little Mentho-Sulphur, says a noted skin specialist. Because of its germ destroying properties, this sulphur preparation instantly brings ease from skin irritation, soothes and heals the eczema right up and leaves the skin clear and smooth.

It seldom fails to relieve the torment and disfigurement. Sufferers from skin trouble should get a little jar of Mentho-Sulphur from any good druggist and use it like a cold cream.—Adv.
